

**BEARCAT TRANSPORTATION SYSTEM (BTS)  
ROUTE CHANGES AS OF SEPTEMBER 2009**

**BTS NORTH ROUTE:**

- **ADDITION:** There will be a new bus stop at Riddle & Deckenbach. After the stop at Probasco & Marshall, instead of turning right on Marshall, the route will proceed west on Probasco, across Marshall, to Deckenbach. The route will turn right on Deckenbach and then turn right on Riddle.
- **ADDITION:** The Vine Street Zoo lot is a new bus stop. After the stop at Eden & Goodman, the route will turn right (north) from Goodman on to Vine and travel to the new Metro-bus-only turnaround in the new Zoo lot near the intersection of Vine and West Shields Streets. The shuttle then turns around and travels south on Vine, turns right on to Jefferson, and travels to its next stop on Jefferson at Glendora.
- **EFFECT ON TIME SCHEDULE:** The combination of these two changes to the NORTH ROUTE will add 3 minutes to the route. The route was a 20-minute route. It will now be a 23-minute route.

**BTS EAST ROUTE:**

- **CHANGE:** Because of a traffic safety concern, the shuttle stop on Highland at McMillan has been eliminated and we have added a new stop in McMillan Manor's driveway (or if this is blocked, in front of the building.) After stopping at McMillan Manor (195 E. McMillan), the shuttle will continue on McMillan, turn right on Highland, right on Kinsey, right on Maplewood, and right again on McMillan—this time not stopping, but crossing McMillan and turning left on Highland to resume its route to the next stop at University and Euclid.
- **EFFECT ON TIME SCHEDULE:** The additional time needed to circle the block twice will add 2 minutes to the route. The route was a 22-minute route. It will now be a 24-minute route.

**BTS NORTHEAST ROUTE:**

- **CHANGE:** Because of a traffic safety concern, the shuttle stop on Highland at McMillan has been eliminated and we have added a new stop in McMillan Manor's driveway (or if this is blocked, in front of the building.) After stopping at McMillan Manor (195 E. McMillan), the shuttle will continue on McMillan, turn right on Highland, right on Kinsey, right on Maplewood, and right again on McMillan—this time not stopping, but crossing McMillan and turning left on Highland to resume its route to the next stop at University and Euclid.
- **ADDITION:** There will be a new bus stop at Riddle & Deckenbach. After the stop at Probasco & Marshall, instead of turning right on Marshall, the route will proceed west on Probasco, across Marshall, to Deckenbach. The route will turn right on Deckenbach and then turn right on Riddle.
- **EFFECT ON TIME SCHEDULE:** Due to the lower ridership of this route, the time points for the shuttle stops may change slightly, but we have not added minutes to routes.

**BTS NEIGHBORHOOD ROUTE:**

- **CHANGE:** Because of a traffic safety concern, the shuttle stop on Highland at McMillan has been eliminated and we have added a new stop in McMillan Manor's driveway (or if this is blocked, in front of the building.) After stopping at McMillan Manor (195 E. McMillan), the shuttle will continue on McMillan, turn right on Highland, right on Kinsey, right on Maplewood, and right again on McMillan—this time not stopping, but crossing McMillan and turning left on Highland to resume its route to the next stop at University and Euclid.
- **ADDITION:** There will be a new bus stop at Riddle & Deckenbach. After the stop at Probasco & Marshall, instead of turning right on Marshall, the route will proceed west on Probasco, across Marshall, to Deckenbach. The route will turn right on Deckenbach and then turn right on Riddle.
- **EFFECT ON TIME SCHEDULE:** Due to the lower ridership of this route, the time points for the shuttle stops may change slightly, but we have not added minutes to routes.
