About Author: Larry Bennett, Esq. has been a volunteer firefighter / EMT for 30 years, and an attorney since 1970. He represents Fire & EMS in his law practice, and is also Program Chair, Fire Science and Emergency Management, at the University of Cincinnati. The National Fire Academy in 2007 appointed Larry as a “subject matter expert” to help update their DDP (Degrees at a Distance Program) course, “Political & Legal Foundations of Fire Protection.” Larry’s textbook, FIRE SERVICE LAW (2008; Pearson / Prentice Hall; ISBN 0-13-155288-0; 18 Chapters) was selected by the NFA for use in this course, taught by DDP universities and colleges nationwide. You can receive his free Fire & EMS and Safety newsletters by signing up at www.uc.edu/cas/firescience (ON LINE BENNETT).
