Transition Town Tuesdays Film Series

Join us the Final Tuesday of the Month
from April through August
at the Price Hill Library
for a Finger Food Potluck and
Educational Environmental Film Viewing!

We will expand our knowledge about the Sustainability Movement
that is sweeping America, and the World!

Encourage your neighbors, friends and family to spend a cool evening with us,
share a few nibbles and great conversation!

Bring a reusable cup or container and we'll provide refreshments!
