William Howard Taft Medal for Notable Achievement

The Taft Medal is presented to an alumnus/alumna of the university solely on the basis of significant life achievements in his or her chosen field. In honoring such exemplary accomplishments, the award was created in memory of UC's most illustrious alumnus, Dr. William Howard Taft, LLB 1925, twenty-seventh President of the U.S. and the only chief executive who also served as Chief Justice of the U.S. Supreme Court. The Taft Medal is the most prestigious honor bestowed by the UC Alumni Association upon a member of the UC family, and is presented at the annual UC Distinguished Alumni Celebration.

Jeffrey Hurwitz Young Alumni Outstanding Achievement Award

This award is given to a UC alumnus/alumna, 35 years or younger, on the basis of significant professional achievement in his or her field of endeavor, and continued service and involvement with the University and community. This award is in honor and memory of Jeffrey Hurwitz, BBA '72, MBA '73, former president of the UC Alumni Association.

Alumni Distinguished Service Award

Dedicated alumni who, through their service, make an outstanding contribution to their university are usually over-modest, unpaid, and unthinking of reward. Nonetheless, recognition is important, so the UC Alumni Association issues the Alumni Distinguished Service Award to provide that recognition for those who have faithfully rendered outstanding service to the University of Cincinnati.

Alumni Association Mosaic Award

The UC Alumni Association's Mosaic Award is presented to an alumnus/alumna who has demonstrated leadership while enhancing our shared community through cultivating collaboration, fostering inclusiveness, championing the cause of the underrepresented, and promoting greater equity and opportunity for others.
