Memorandum of Understanding
Guaranteed Transfer Admission Agreement
Between
UNIVERSITY of CINCINNATI
And
LORAIN COUNTY COMMUNITY COLLEGE
Purpose
This Memorandum of Understanding (MOU) allows for a collaboration between Lorain County Community College and the University of Cincinnati (UC) allowing for the guaranteed transfer admission of qualified Lorain County Community College students and guaranteed credit transfers between Lorain County Community College and UC contributing to the award of a bachelor’s degree from UC. Note that some bachelor’s degree options or majors may take more time at UC to complete depending on the exact transfer of courses from Lorain County Community College or the nature of the program at UC.

This agreement does not guarantee that all Lorain County Community College students will be admitted to the program of their choice at UC, rather this agreement guarantees admission into the University of Cincinnati if the students meet academic admission requirements and enrollment procedures and deadlines. Even adhering to these items does not guarantee admission as certain academic programs may not have enrollment capacity for the students. Nonetheless, this agreement and the relationship between UC and Lorain County Community College has the goal of enrolling as many qualified students to UC as possible.

The Parties agree on the terms and conditions stated below:

7. Financial
7.1 Unless otherwise specified and agreed in written form by the Parties, each Party will meet the financial costs associated with delivering the academic components of the International Pathways programs in their respective countries.

7.2 Each party will determine the student tuition fees for its component of the Transfer Degree Program. In UC's case, transfer students will be charged regular non-resident student tuition fees. Students will be considered for any available scholarships.

7.3 Both parties reserve the right to change their fees for any component of the program. Students already progressing through the program may experience a change of fees in line with changes affecting all other students at their respective universities.

arrangements are made to complete all commitments before the International Pathways program is terminated.
