**Introduction:** This agreement details the applicability of courses from the Lorain County Community College Associate of Applied Business degree to the UC Lindner College of Business Bachelor of Business Administration degree. As a public institution governed by the Ohio Department of Higher Education, UC complies with the Ohio Transfer Module and the Transfer Assurance Guides (TAGs). Students who complete the Associate of Applied Business degree at Lorain County Community College have satisfied the UC General Education requirements.

**Articulation Overview:** Graduates from Lorain County Community College who have followed the prescribed program and are accepted into the UC Lindner College of Business will enter the third year of the Bachelor of Business Administration degree in a program of choice listed above.

**Admission Criteria:** Please note: completing the courses on the attached worksheet does not guarantee admission to the selected program.

**Minimum GPA:** 2.50

**Math Proficiency:** A grade of C- or higher earned in MTHM 178 Business Calculus is required.

**BBA Completion:** Depending on the BBA major a student chooses, completion of the program may require more than four semesters at UC to complete. This is due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation.

**Admission Period:** Lorain County Community College students must be admitted to the UC Lindner College of Business during the duration of this agreement, i.e. between July 2017 and July 2020.
