### F&A Cost Rates (off Campus)

The University of Cincinnati’s F & A rates are calculated on a Modified Total Direct Cost (MTDC) basis, i.e. F & A rates are applied to all direct line items in the budget with the exception of the following: equipment over $5000/item, alterations and renovations, patient care costs, tuition remission, rental costs, scholarships and fellowships, individual sub-contract costs beyond the first $25,000, TELCO (Long Distance), UCLT.

**SALARY PROJECTIONS:**
Salary increases in proposal budgets should be estimated according to the AAUP agreement during the term of the agreement and at 2% per year thereafter.

**IMPORTANT NOTICE:**
Effective July 1, 1994, clerical and administrative salaries are not allowed on any federal award unless the award is considered a "core" or "program project" award. (OMB A-21 Section F6.B). The definitions of these kinds of awards are currently under review. Check with the Sponsored Research Services Office if you are unsure as to whether your proposal falls onto this category. Non-federal agency proposals may budget administrative/clerical costs as direct costs if significantly justified. If the sponsor approves the budget, they may be charged as direct costs.

Business meals may not be charged to sponsored awards unless specifically authorized by granting agency. Meals while on travel status are regulated by UC’s Fiscal Operating Policies and Procedures.
