3.0 Materials and Performance Specifications

Corridor Display and Tack Boards

Corridor 1000 Level
1/4"–1'0"

Corridor 6000 Level

The MSB standard display cases or tack boards are ordered through Planning + Design + Construction. All frames are satin aluminum finish with a steel grey cork interior.

Please contact Lucy Cossentino at Planning+Design+Construction. We will provide you with Graphic Design support in addition to contacting the vendor for the final purchase.

Posting Specifications for Tack Boards

The Department ordering the tack board agrees to be responsible for the visual integrity of the board and will adhere to the following guidelines:

- Do not post more than one of any item on the same tack board.
- All Graduate Posters are to be 46" x 92" covering entire tack board.
- When the board is not used for academics miscellaneous posters can be displayed.
- No posting item should cover another item.
- No poster other than graduate posters should be larger than 18" x 24".
- All items should be aligned at the top in continuous straight rows across the board.
- Attach posting with tacks, pins, or staples. DO NOT USE TAPE.
- Remove all posting after one month.
