Dear REC Kids Families,

First off, we would like to thank each of you for your participation and loyalty to the REC Kids Camp program as we enter our 11th year. Our continued success is all thanks to our wonderful families.

We are committed to providing your child with a quality, safe, well-rounded recreation experience. Last year, we conducted a thorough evaluation of our program which included comprehensive surveys, focus groups, and interviews among patrons and staff. We are excited to implement several improvements and features this year in response to this feedback.

Most importantly, we look forward to meeting all of our new families and catching up with all of our returning families. If you have any questions, comments, or concerns, please do not hesitate to contact us.

Sincerely,

CAMP POLICIES

Camp Rules
Our camp rules are founded on respect for one another. Please go over these rules with your child prior to his or her first day of camp.

Camper Eligibility
REC Kids programs are available to rising 1st – 8th graders. Physical, emotional, and social maturity vary by age and gender, so campers will be grouped according to their grade. This allows us to provide activities suited to the varying ages of children.

Valuables
We request that your child leave all items of sentimental or monetary value at home. The University of Cincinnati and its’ staff will not be held responsible for lost or stolen items. We HIGHLY recommend the following be left at home: handheld video games, tablets, digital cameras, laptops.

Discipline
REC Kids Camp Staff understand that that there may be a time when a camper has a difficult day. First and foremost, we want to quickly resolve any conflicts and keep your child involved in the activities. The REC Kids Camp Staff will adhere to the follow guidelines and procedures:

| 1st Offense | Warning: The camper will be notified of his or her behavior and given cues to correct the behavior. |
| 2nd Offense | Time-out: A staff member will address the situation with the child and have him or her sit out for a pre-determined amount of time. Following the time-out, the staff member will give him or her cues to correct the behavior and communicate further consequences should the child continue the behavior. The staff member will complete the discipline form, including all past instances of discipline. The discipline form will be given to the parent upon pick-up. |
| 3rd Offense | Trip to the Camp Office: The staff member and the camper will meet a camp administrator and discuss the camper’s behavior and future consequences. The staff member will complete the discipline form, including all past instances of discipline. The discipline form will be given to the parent upon pick-up. |
| 4th Offense | Meeting With Parent or Guardian: A camp administrator will call the parent or guardian of the child and arrange a meeting. The camp staff member will complete an additional discipline form which will be reviewed in the meeting along with camper expectations and possible future consequences. The camper may need to be picked up from camp early. |
| 5th Offense | Suspension or Expulsion: Suspensions will range from the remainder of a day to multiple days or expulsion. |

REC Kids Camp reserves the right to skip any of these steps depending on the severity of the situation.
MEDICAL POLICIES

**Accidents and Emergencies**
In the case of an injury or accident involving your child, camp administrators will call each number listed. In the case of a life-threatening medical emergency, advanced medical personnel will be summoned. All members of the camp staff have current CPR, AED and First Aid certifications and have also been trained in emergency procedures at all locations. Should the parents/guardians not be available, we will contact the listed emergency contact.

**Illness**
If your child should become ill while at camp, you will be notified immediately. Based on the severity of the illness, we may ask you to pick your child up from camp. We do not have a registered nurse on staff. For the health and well-being of the rest of the children and staff at camp, we ask for your discretion on bringing your child to camp if he/she is ill.

**Medications**
All medications to be administered by REC Kids staff must be communicated to the Assistant Director (513-556-0603) or Coordinator of Camps (513-556-5729) prior to the first day of the camp program. A medication authorization form must be submitted prior to submitting the medication.

**Concussion Protocol**
REC Kids Camp is required by law to distribute a concussion information sheet annually. The informational sheet will be e-mailed with each program's confirmation e-mail.

REC Kids Camp will follow the following protocol in the event that a camper is suspected to have a concussion:
1. The camper will be removed from physical activity if he or she exhibits any of symptoms of a concussion during physical activity.
2. The parent/guardian will be called after the initial assessment.
3. Should the camper exhibit at least one (1) symptom, the camper cannot return to physical activity on the same day that he or she is removed.
4. The camper is not permitted to return to physical activity until they have been assessed by a physician (MD or DO). The parent or guardian must submit a letter to reckids@uc.edu including the camper’s name and the date the camper is cleared to return to physical activity/camp.

For more information, parents should visit [http://www.healthy.ohio.gov/concussion.aspx](http://www.healthy.ohio.gov/concussion.aspx).

**Other Absences**
In the instance that your child must miss camp for other reasons, please let us know ahead of time. However, keep in mind that we do not offer refunds for days/hours not attended.

THE CAMP DAY

**Parking During Drop-Off & Pickup**
Unfortunately UC Campus Recreation does not have its' own parking lot. Due to ongoing construction, drop-off and pickup during designated hours (drop-off 7:30-9:15am and pickup 4:00-5:30pm) will now occur outside of Dabney Hall (see Appendix A). Parents dropping off after 9:15am or picking up before 4:00pm must escort campers to and from the front desk.
**Extended Camp Hours**

We are not able to accommodate pickups after 5:30pm. In the case a parent arrives after 5:30pm, he or she will be charged $5 for the first 15 minutes, and an additional $1/minute thereafter.

**Arrival/Departure**

Standard drop-off time is between 7:30 and 9:00am. We ask that all children be at camp by 9:00am so that activities may begin promptly. REC Kids Camp will have a table and administrator outside during pickup and drop-off times.

**Pickup Authorizations**

Only individuals designated on the registration forms will be authorized to pick up your child. If you need to add someone to the list, please e-mail us. All authorized individuals must have a photo ID to pick up your camper each day.

**Late Arrival**

If you need to drop off your child late, please walk your child inside to the front desk at the Campus Recreation Center. From there, a Member Services staff member will radio a camp staff member to escort your child to his or her group.

**Early Departure**

If you need to pick up your child before 4:00pm, please let us know at drop-off or by calling 513-556-0604 so we can ensure your child is ready to be picked up at the specified time. Please keep in mind that we have scheduled camp activities up until 4:00p.m.

**What to Bring**

We highly recommend that all items are labeled with your child’s first and last names. REC Kids Camp will not be held responsible for lost or stolen items.

**Clothing and Shoes**

Children should come to camp prepared for a full day of activity. For each day, children should have athletic footwear (gym shoes) and appropriate attire for physical activity. We suggest athletic clothes, as the children will be getting plenty of exercise throughout the day.

**Lunch and Snacks**

Parents must send a lunch every day. REC Kids Camp provides snacks and beverages during morning and afternoon snack times. Lunches will be refrigerated, however we do not have the ability to heat lunches. Depending on the group, lunch may be any time between 11:45am and 1:00pm.

**Water Bottle**

Parents may send a water bottle each day, labeled with your child’s name. Water fountains and water coolers are easily accessible throughout campus and bottles can be refilled when needed. Our groups take plenty of water breaks throughout the day.

**Sun Protection**

REC Kids Camp provides SPF 50 sunscreen. Depending on your child’s needs, you may send specific sunscreen if you like.
Swimsuit and Towel
All campers have scheduled swim time in the Campus Recreation Center indoor swimming pool each day and must pack a swimsuit and towel. Campers may bring and use goggles in the pool. Please do not send inflatable toys or floats.

Gym Bag or Backpack
A backpack, gym bag, or book bag is highly recommended for your child’s belongings.

Activities
Camp activities include, but are not limited to arts & crafts, sports, board & card games, indoor climbing, indoor pool games, free swim, camper club, and team building activities.

Summer camp weeks include additional activities including thematic activities and sports, Friday special events, and counselor challenges.

Camp Staff Profiles
During pickup, we will have a camp staff binder available at the check-out desk. Please feel free to browse through the binder and learn more about our camp staff. You might learn some interesting facts!

E-Newsletter
To be more eco-friendly, weekly newsletters will be e-mailed out. For non-summer programs, the newsletter will be e-mailed out one week prior to the camp. For summer camp, newsletters will go out on the Friday before each session and include a recap of the current week and a preview of the following week. If you need to change your e-mail address, please contact us at reckids@uc.edu.

Online Photo Albums
Photos will be taken throughout each summer camp week and put online in a secure, private album. Parents and guardians will receive a link to the private album. Please do not share these photos with individuals outside of REC Kids programming or post on social media if the photo includes other campers.

Online Swim Lesson Progress Reports
For those enrolled in summer camp swim lessons, a camp administrator will e-mail a private online progress report. This report will include what skills the camper has succeeded in and what skills are left in order for the camper to progress to the next swim level. This progress report is updated weekly by the swim lesson instructors.

Online Schedules
Prior to each camp week, parents will receive a private link to the following week’s schedule for each group. Please do not share these links with individuals outside of REC Kids Camp.
REC KIDS LEARN TO SWIM (LTS) PROGRAM

REC Kids campers have the opportunity to learn to swim and/or improve their swimming skills for an additional fee. LTS classes run every week. A camper must be registered for camp in the week that he or she is registered for LTS. To ensure campers attend classes appropriate to their skill level, an evaluation of their skills will be performed on the first day of lessons.

Campers who not enrolled in swim lessons will partake in an alternate activity during this time. Campers enrolled in swim lessons will have lessons Mondays, Tuesdays, Thursdays, and Fridays. The times of these lessons are:

- Levels 1 & 2  1:00p.m. – 1:35p.m.
- Levels 3 & Up  1:45p.m. – 2:20p.m.

These individuals will also be given additional free swim time if their lesson overlaps when their group normally has free swim.
