Autumn 2010
Topics and Presenters

October 5
Lifestyle Choices for a Healthy Heart
LeAnn Coberly, MD, associate professor, Department of Internal Medicine, UC College of Medicine

Cardiac Dance: The Spirals of Life
Gerald D. Buckberg, MD ’61
Distinguished Professor, University of California, Los Angeles, David Geffen School of Medicine

October 12
HIV 101--What Everyone Ought to Know
Judith Feinberg, MD, professor, associate chair of medicine for faculty development, UC College of Medicine

Swine Influenza: When Pigs Fly
Rebecca Brady, MD, assistant professor of pediatrics, Department of Pediatrics, Cincinnati Children's Hospital Medical Center, UC College of Medicine

Taste of UC Medical Simulation: Lab Visit*
Michael Sostok, MD, professor of clinical medicine, assistant dean for medical education, UC College of Medicine

October 19
Refer to October 12 Program*
* Please note: On the second and third evenings, we will include a visit to the simulation lab. On the second evening, we will divide the group up so that half will go to the lab for two hours and the other half will attend the lectures. Then, we will reverse groups on the third evening so that one half goes to the lab and the other goes to the lectures.

October 26
Essentials of Medical Imaging
Gavin Udstuen, MD, UC College of Medicine

Emergency Medicine
Sarah Ronan-Bentle, MD, UC College of Medicine
