*Join us in July for these special workshops for kids.*

## **Dulcimer in Five Days:**

### **A Workshop for Kids**

Discover the fun of building and decorating your very own mountain dulcimer - and then learn to play it! The mountain dulcimer is a truly remarkable American musical instrument; and it had its early beginnings in the Appalachian region. You will learn to tune the instrument; play 20 songs; learn how to read tablature for the mountain dulcimer; and learn the various ways of playing it. The final session will end with a concert celebrating the achievements of all; small groups and the whole ensemble will demonstrate what they've learned, and family members and friends are welcome. No prior musical training necessary.

For ages 10-16.

*Joe Zsigray is based in Bowling Green, Ohio; and he tours throughout this state as well as Indiana and Michigan, inspiring people of all ages to play and enjoy these special instruments.*

• Mon. through Fri. 1:30-4 pm; July 11-15; 5 afternoons; \$99 (no discounts), plus \$45 materials fee payable to instructor at first class, includes handouts, music and dulcimer (this is the instrument you will all learn on in class and keep); #4206-01

Location: [Administration Building](#);

## **Ukulele in a Week:**

### **A Workshop for Kids**

The ukulele is currently undergoing a revival throughout the USA. It is fired by many new and exciting young people embracing the instrument. Join Joe Zsigray in discovering the fun of playing your very own ukulele. You will learn to tune the instrument in both standard and open tuning methods; play 20 songs; learn how to read chord charts for the ukulele; and learn the various ways of playing this wonderful instrument. The final session will end with a concert celebrating the achievements of all; small groups and the whole ensemble will demonstrate what they've learned, and family members and friends are welcome. No prior musical training necessary.

For ages 12-16.

*Joe Zsigray is a "Johnny Appleseed of the Arts," traveling throughout Ohio, Michigan, and Indiana teaching people music and lively arts who never had an experience with these art forms before. He finds it lots of fun and personally fulfilling to plant musical seeds and then to see them take root.*
