

IMPORTANT PARKING INFORMATION

Location: UC MEDICAL SCIENCES BUILDING (EAST CAMPUS)
Kresge Auditorium
On Eden Avenue between Martin Luther King Drive and Albert Sabin Way

****The Eden Avenue Garage is available for parking during your Mini Medical College program at no additional fee if you park in this garage—see instructions below.**

To access Eden Avenue Garage, you may enter in two places:

From Eden Avenue: Once you turn onto Eden from Martin Luther King, proceed past the Medical Arts Building and the Barrett Cancer Center on the right. The garage is on the left-hand side of the street, just past Barrett. Enter the garage via the second driveway on the left to get a spitter ticket. Once you are in the garage, proceed straight for parking; do not turn to the right as the signs indicate.

From Goodman: Follow Goodman from the Vine intersection and turn left onto the access road behind the Coroner's Office (Forensic Medicine) and Eden Avenue Garage and enter via the first entrance into the garage on the right.

Be aware that some entrances are key card only; please use only the two entrances described above.

Once you have parked, you may then take the garage elevator to Level 5. On Level 5, there is an enclosed bridge that goes over Eden Avenue and leads you to the Medical Sciences Building (MSB). Once you cross over into the MSB, you will be on the G-Level. From there, you will take the elevator down to E-Level and to Kresge Auditorium. We will be waiting to greet you and to check you in!

*****Please remember to take a spitter ticket as you enter the garage, then simply present it along with your parking pass as you exit the garage at the end of the program.***

Be sure to obtain your parking pass from staff stationed in the lobby outside Kresge Auditorium on any of the evenings of the program.
