### Fall Quarter Registration Dates

August 22: Catalogs in the mail.  
August 26: Catalog posted online at [http://www.uc.edu/ce/olli/course\\_catalog.html](http://www.uc.edu/ce/olli/course_catalog.html).  
September 2, 9 a.m.: Online and phone registration begins.

### Fall Registration Procedures

**BEST METHOD—ONLINE:** Register yourself online (or get a friend or family member to help you!). Directions are on page 4 of the catalog and posted at <https://webapps2.uc.edu/cmrs/olli/>. When you register yourself online, your selection and confirmation happen immediately. You will see in real time whether or not the courses you want are open.

**BY MAIL:** You should receive your catalog several days before registration opens. You may mail your registration at any time. If we receive it before September 2, we will process it when registration opens. This is better than waiting until September 2 and phoning the office, but your registration will still be delayed because we have a limited number of computers and staff.

**WORST METHOD—BY PHONE:** Call the office at 513-556-9186 after registration opens on September 2, 9 a.m. Be advised that we have only one telephone line and limited staff. You can expect to end up in the voicemail system or receive a busy signal. It may take as long as 24 hours from when we take your registration to when we are able to process it. It may also take several hours for us to return your call. Popular courses will close in the meantime.

**CONFIRMATION:** If you have an email address associated with your registration, you will receive an email notifying you of your class schedule. If a course you asked for is not there, it is almost certainly because the course is full. If you do not have an email address, you will receive a copy of your schedule in the mail. Because of limited staff and the need to focus on registration, it may take as long as two weeks before you receive it. If a course you asked for is not there, it is almost certainly because it is full.

### Back-to-School Party

Join us for the annual OLLI Back-to-School Party on Monday, September 15, 11 a.m., at Cooper Creek Event Center, 4040 Cooper Rd., Cincinnati, OH 45241. You'll enjoy a sandwich buffet, ice cream sundae bar, socializing with OLLI members

and volunteers, and hearing all the news about the upcoming school year. Cost is \$15. If you did not receive your invitation, please call the office at 513-556-9186. Advance paid registration is required by August 29.

### Your OLLI ID

Who is that woman who asks such insightful questions in class? Who is that man with the infectious laugh? Beginning this fall, OLLI will provide name badges and lanyards for all registered members with the aim of socializing. You'll finally have a name to associate with that friendly face!

How will this work? After you register, you will receive your name badge in the mail. Bring it with you to your first class location, where you will receive a red OLLI lanyard with a plastic pocket for your name badge. If you don't receive the name badge in time, bring along your class schedule confirmation. We will also have lists of all registered members at the door at Tangeman University Center, Carver Woods in Blue Ash, Adath Israel, Sycamore Senior Center, and Llanfair Retirement Community. You must be registered to receive a lanyard.

To make this project a success, please wear your lanyard and name badge to each and every OLLI class and program. And, of course, keep your reusable lanyard from quarter to quarter. You'll receive an updated name badge each time you enroll.

### Calling all Bakers

Ladies and gentlemen, start your ovens! OLLI will host the COOKIE TABLE at Carver Woods in Blue Ash during the first week of classes, September 22–26, and you know how well the goodies are appreciated. Please let Janet Banks ([janetgbanks@gmail.com](mailto:janetgbanks@gmail.com)) know what day you would like to drop off your treats. If you are able to help staff the table any day, please let Janet know that, too. Many, many thanks in advance!

### Help Wanted at Adath Israel

Have you been looking for a significant volunteer opportunity within OLLI? We are looking for someone to provide audiovisual support at Adath Israel on Tuesday and Thursday mornings from 8:30 a.m. until about 12:30 p.m. We need a person (or better yet a couple of people to share the job) to move the AV carts from storage to the classrooms and provide support to moderators as needed. This person also assists with assigning classrooms to moderators each quarter.

To find out more, please email your name and contact information to [curriculumatucolli@gmail.com](mailto:curriculumatucolli@gmail.com).

### Teach for OLLI

Storm chaser? Mah jongg maven? Math whiz? Culture vulture? History detective? Science guy or gal? Green thumb? Deep thinker? News hound? OLLI needs you all!

Now through October 9, we are taking proposals for winter 2015 OLLI classes—both eight-week courses and one-time programs. It's easy to get more info and submit a simple online form at [www.uc.edu/ce/olli](http://www.uc.edu/ce/olli). Just click on Teach for OLLI in the menu on the left side of the page. You'll find the dates for the quarter, information about being a moderator, and simple forms to submit for multi-week and one-time courses.

### Calling All Shutterbugs!

Have you been taking pictures in your classes or at OLLI events? How about sharing some of those photos with OLLI? We are always looking for documentation of what is going on in the classrooms, field trips, and hallways. Some of it gets archived, but lots of it shows up on our website, Facebook page, or course catalogs. So, please, share your OLLI snaps with us by emailing photos to [olli@uc.edu](mailto:olli@uc.edu). Put "OLLI Photos" in the subject line, and tell us what you can about the subject of the picture. Thanks for your help.

### Like OLLI on Facebook

We are counting down to reach 450 "likes" on the OLLI at University of Cincinnati Facebook page. When we get there, we'll put all the names in a bowl and draw one to win a free quarter membership. Let's do it before fall quarter! Why? Lots of OLLI breaking news shows up first on Facebook. And we share photographs from classes and special events, pertinent news stories, and tips for retirees. Please join our online community at <https://www.facebook.com/OLLIatUniversityCincinnati>.
