Rediscover the Joy of Learning

Breaking News!

We have just learned that the large auditorium at Adath Israel will not be available on Monday, September 21. As a result, Monday's OLLI Sampler (#2510) is cancelled. The following two courses, will begin on Monday, October 12:

- #2911 Understanding Terrorism: A Short History
- #3017 An Informal History of Opera, Its Singers, and Composers.

Important Fall Quarter Dates

Fall quarter classes begin Sept. 21.
No classes at Adath Israel: Sept. 22, Sept. 28, Sept. 29, Oct. 5, Oct. 6

Don't forget: Tuesday classes at Adath Israel begin October 13!

Get Ready for School!

Some things to have ready for the new quarter:

- If you've taken OLLI courses before, find your lanyard and name badge so we can update it with the fall sticker. New members will receive their lanyards at check in.
- Print and bring along your confirmed registration. That way there will be no question about whether or not you are registered for the quarter and your specific classes.
- Plan to arrive early on the first day so you have time to check in, get "stickered," pick up classroom assignments, and find your classroom.
- Expect your moderators or a volunteer to take roll or check registrations at the door for each class. We must adhere to the fire code limits for the classrooms and be fair to the people who are registered (and have paid the course fee). On a related note, please don't attend classes for which you are not registered!
- Absolutely no food or drink, besides bottled water, may be brought into Adath Israel.

Teach for OLLI

OLLI is currently seeking new and returning moderators to teach multi-week courses and present one-time programs. We are

interested in all fields of knowledge. Some particular requests we've had lately that you may have the special talent to fulfill are beginning or conversational Spanish or German, fiction writing, Civil War history, Cincinnati history, and Cincinnati architecture. While you won't get paid, OLLI's moderators do receive free membership during any quarter they teach, invitation to a special luncheon in their honor, our undying gratitude, and the satisfaction of sharing their passions with the best group of students anywhere!

It's easy to submit a proposal using the simple online form. You'll find the form and more information at <http://www.uc.edu/ce/olli/curriculum.html>. Deadline for winter 2016 is September 24.

OLLI Town Hall

Karen Zaugg, chair of the Board of Trustees, joined by OLLI Program Director Cate O'Hara and the chairs of key OLLI committees, invite you all to share your thoughts about how we can work together to make OLLI even better at a forum on Thursday, Oct. 1, 12:15–1:15 p.m., on main campus at Tangeman University Center, room 417. Ask us anything. Listen to fellow members. Lodge your concerns. It's easy to park and to find, and we'll give you a voucher to cover the parking fee. Be sure to add OLLI Town Hall (#4930) to your schedule so we know how many to expect.

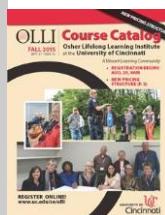

Volunteer Committee Opportunities

Nearly everything that OLLI does is accomplished by volunteers. The Governance Committee is looking for new members and can use your help. This is a great committee for someone who has been a member of OLLI for a couple of years or more, has not previously served on the Board, or has legal or nonprofit board or management experience to bring to the table.

Governance Committee monitors the effectiveness and integrity of the processes by which the Board advances the interests and objectives of OLLI. Among other responsibilities, this committee oversees the nomination of Board members and its chair and vice chair, fills interim board vacancies, revises OLLI's bylaws when necessary, and oversees nominations of individuals in the OLLI community for special recognition. This committee meets about three times per year with some other matters handled via email. If interested, please contact Nancy Herbert at nbhclifton@hotmail.com.

Fill Up Your Free Time

No need to sit at home this fall. There are still plenty of OLLI offerings available—everything from one-time talks and field trips to in-depth eight-week courses that delve deeply into a topic. Of the 189 offerings this quarter, 127 are still open as of this writing.

For example, you can still enjoy all the FAB Fridays at Llanfair Retirement Community on Friday mornings (#6024–#6031). Each week promises a new adventure, from steamboating to the work of the county coroner. Did you know Greater Cincinnati has a museum devoted entirely to the art of enameling? Join your OLLI friends for a behind-the-scenes tour on Nov. 6 (#8527). Don't quite know what to do with that tablet/iPad you got as a gift? Sign up for How to Make Friends with Your Electronic Device (#4216). Lost your OLLI catalog? Maybe it is time to Clean Up the Clutter (#3204).

Whether you are interested in history, astrophysics, great music, the economy, government, golf, exercise, investing, writing, crafts, philosophy, world religions, travel, psychology, your health, meditation, literature, or even lawn

bowling, OLLI probably has an open course. Call the office at 513-556-9186 or sign yourself up online: <https://webapps2.uc.edu/cmrs/olli/>.

We Remember

We were saddened to learn of the passing of Charles Sroufe, an OLLI moderator. Charley had joined our team of moderators a few years ago teaching the course Breaking Bad Habits. Kathy Womer, member of the Board of Trustees, remembers, "He was an engaging moderator, full of experiences from his counseling background. He encouraged us to share our concerns (bad habits) and always listened intently. I enjoyed his class." We extend our sympathy to his friends and family.

Calling All Shutterbugs!

If you take pictures in your classes or at OLLI events, how about sharing them with OLLI? We are always looking for documentation of what is going on in the classrooms, field trips, and hallways. Some of it gets archived, but lots of it shows up on our website, Facebook page, or course catalogs. So, please, share your OLLI snaps with us by emailing photos to olli@uc.edu. Put "OLLI Photos" in the subject line, and tell us what you can about the subject of the picture. Thanks for your help.

Like OLLI on Facebook

We are counting down to reach 650 "likes" on the OLLI at University of Cincinnati Facebook page. When we get there, we'll put all the names in a bowl and draw one to win a free quarter membership. Lots of OLLI breaking news shows up first on Facebook. And we share photographs from classes and special events, pertinent news stories, and tips for retirees. Please join our online community at <https://www.facebook.com/OLLIatUniversityCincinnati>.
