Day 1: Tuesday, June 14
Check-in / Orientation / Welcome Dinner

Hotel check-in begins at 3 p.m., followed by an Orientation and Welcome Dinner. Later in the evening, enjoy a presentation by an arts expert who will talk about the “arts explosion” that has made Minneapolis-Saint Paul a cultural mecca.

Day 2: Wednesday, June 15
City of Lakes Field Trip / Minneapolis Institute of Arts

We'll meet a former University of Minnesota professor and author who will lead a stimulating discussion of historic Minneapolis, setting the stage for a “City of Lakes” field trip. Then, with our expert, we'll hop aboard a motor coach for firsthand insights into the city's history and local lore. Within the Minneapolis city limits are 22 lakes, creating a truly “green” urban environment. After lunch at a local market, we'll coach to the Minneapolis Institute of Arts and its vast collection spanning 5,000 years of world art and culture — an art lover’s paradise! Art docents will lead us on a custom-designed exploration of the Institute's major collections, followed by time to explore the museum on your own.

Day 3: Thursday, June 16
Riverfront Walk / University of Minnesota / Walker Art Center / American Swedish Institute

We'll begin the morning with our local expert leading us on a riverfront walk for more insight into the city's architecture and history. Then we'll coach to the University of Minnesota, a land grant university founded in 1851, seven years before Minnesota became a state. The main campus straddles the Mississippi River and its notable alumni include Walter Mondale, Hubert Humphrey and Garrison Keillor. Next, we'll experience the Walker Art Center for an exploration of one of the best contemporary art museums in the United States. Afterward, we'll coach to the American Swedish Institute for lunch, then go back 100 years at the Institute's magnificent 1908 French Chateau-style Turnblad Mansion, former home to Swedish immigrant and newspaperman Swan J. Turnblad.

Day 4: Friday, June 17
Guthrie Theater / Exploration and Preview of Theater Performance

This morning we'll coach to the beautiful Guthrie Theater, where a dramatic theater experience awaits. A local expert will delve into Sir Tyrone Guthrie himself, explaining why he chose Minneapolis above all other cities to build his grand theater. We'll then go backstage to learn about the theater's state-of-the-art costume and scene shops. After lunch on site, our expert prepares us for the evening performance with a thorough discussion of the play, actors and stagecraft. After dinner at the well-known Christos Restaurant, we'll enjoy the Guthrie performance.

Day 5: Saturday, June 18
Theater / Foshay Tower / Treasures of Saint Paul

We have two gems to explore today before our evening musical performance. A theater expert will join us after breakfast to talk about the Twin Cities' diverse theater scene, second only to New York. Learn about the innovative and progressive work being done at theaters like the award-winning Penumbra Theater, the country's largest African American Theater. We'll take a short walk to Foshay Tower to learn about the expansive growth of Minneapolis at one of the city's first skyscrapers. From the top of the tower, history unfolds before us with an unparalleled comparison of Minneapolis past and present. After lunch on your own, we'll coach to St. Paul, where a local expert will introduce us to some of the special treasures of the other Twin City. Tonight we will delight in a spectacular musical performance.

Day 6: Sunday, June 19
