# Accessing CoeusLite Via iPad or iPhone
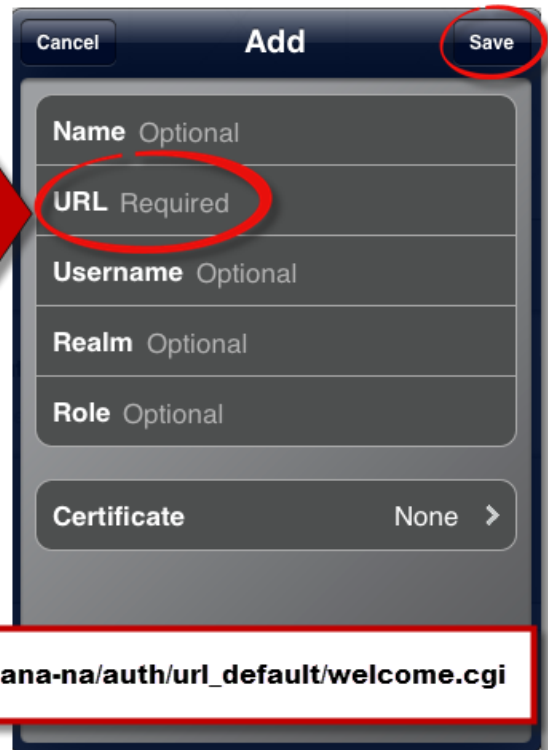

There's an app for that!

Coeus is accessed through UC's secure network. To log-in to UC's network from your iPad or iPhone:

### Download the FREE "Junos Pulse" app through the Apple Store

Open Junos

Accept the License Agreement

Enable Junos Pulse

Are you sure you want to enable Junos Pulse? This action only needs to be performed once.

click "Enable"

Enable

Configure the App to UC's VPN
