Choose Ohio First

The Choose Ohio First Scholarship Program is designed to significantly strengthen Ohio’s competitiveness within STEMM (Science, Technology, Engineering, Mathematics and Medicine/Medical) disciplines and STEMM education. The University of Cincinnati was one of the first of 42 public and private institutions across the state to offer the scholarships to students in STEMM fields, and to STEMM education students. Since 2008, more than 4,000 scholarships have been awarded across the state — more than 600 of those have been at UC.

Invitation to membership in The Phi Beta Kappa Society is a reflection of outstanding achievement in the liberal arts and sciences. These members of the graduating class have demonstrated academic excellence and breadth of learning. The Greek letters Phi Beta Kappa stand for the Greek motto which means “Love of learning is the guide of life.” The Phi Beta Kappa Society was founded in 1776 and now has 283 chapters at American colleges and universities. The University of Cincinnati’s Chapter was founded in 1898, with William Howard Taft as a charter member.

THE MACE

The mace carried by the university marshal is the gift of Sigma Sigma. From the fourteenth century, the ceremonial mace was used by civil and ecclesiastical authorities. Today, carried as an emblem of authority and prestige, it is commonly used to indicate the official opening of ceremonies.

UNIVERSITY OF CINCINNATI SEAL

On September 26, 1904, upon the suggestion of Dr. Charles W. Dabney, President of the University, the Board of Directors adopted the insignia of the city of Cincinnati as the official University seal. The scales, sword and Mercury’s wand on a shield, along with the motto Juncta, Juvant are mounted on a pointed ellipse surrounded by a belt bearing the words “University of Cincinnati” and the date 1819. Juncta, Juvant literally means “Things joined are a help” (translated freely, “Strength in Unity”). In the space between the shield and the belt is a wreath of oak leaves. Below the shield is a scroll with the motto Alta Petit (translated freely, “She seeks the heights”).
ACADEMIC REGALIA

Academic costumes are as old as the universities themselves, recalling a time when all students in centers of higher learning were members of the clergy, and wore garments which were considered proper by the Church.

American universities, unlike those of England and Europe, have adopted a standard code of academic costume. The Oxford-type cap or mortarboard is always black and may be made of any material except velvet, which is reserved for doctors. The tassel worn with the cap has three variations: black for any degree; the color of the faculty in which the degree was granted; or made of gold metallic thread, reserved for doctors and governing officials of institutions.

Each person who receives a degree wears the gown appropriate to the degree granted. The bachelor's gown is closed at the throat and has long pointed sleeves; the master's gown has oblong sleeves, open at the wrist, tapering at the back in a square cut, which ends in an arc cutaway. The doctor's gown is an elaborate one, marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell shaped sleeves. It is cut much fuller than the other gowns, and unlike them, may be ornamented in color. Both the paneling and sleeve bars may show the faculty in which the degree was awarded.

The hood alone clearly shows the level of the degree, the faculty in which it was given, and the institution which awarded it. The level of the degree is shown by the size of the hood, the width of the velvet trimming, and in the case of the doctor, by the shape. The bachelor's, master's and doctor's hoods are three feet, three and one-half feet, and four feet long respectively; although bachelor's seldom wear hoods anymore. The velvet trimming in the same order is two, three and five inches, extending around the hood on the exposed edge. For each faculty there is a corresponding color, so a glance at the trimming is all that is needed to identify the faculty. The institution which awarded the degree is indicated by the colored lining.

Members of the governing body of a college or university, whatever their degrees may be, are entitled to wear the gown warranted by their degree or a doctor's gown. The doctor's gown is trimmed in black velvet or the color representative of their degree, but their hoods may be only those degrees actually held by the wearer or those especially prescribed for them by the institution.

It's a wonderfully diverse group of Bearcats-for-life who have achieved success and brought honor to their university. With your arrival today, that network becomes bigger, stronger and more connected than ever.

As students, everyone you've met and everything you've done has prepared you for the future. You will begin to see your alma mater a bit differently, and feel greater ownership and pride. Across many generations and UC’s 13 colleges, alumni are united through our common experiences and passions. Staying involved is the key.

Preserve your connection with your college, the organizations to which you have belonged, and your friends and mentors — and cultivate your new relationship with your UC Alumni Association. We have a vibrant Young Professionals group in Cincinnati and 30+ alumni networks across the U.S.

We also encourage you to help sustain our tradition of alumni giving back to the university that has made such a difference in their lives. It is in this spirit that I invite you to remain engaged, be an active ambassador, and please consider supporting UC with your time, talent and treasure.

Your UC experience will travel with you regardless of your personal or professional path. Take everything you have learned here with you wherever you go. Keep the UC traditions alive and remember always that you are a Bearcat!

Sincerely,

Jennifer L. Heisey ’97
