Inclusive Excellence Workshop

The Multigenerational Workforce
April 13, 2-3:30 PM
Alumni Center
Presenter: Shelly Sherman

The Multigenerational Workforce presents a new challenge with four generations in today’s workplace. There are interesting trends that illustrate the differences and similarities of each generation. Understanding and optimizing the capabilities and strengths of each individual is crucial to create and maintain a healthy environment for all. This workshop will provide greater insight into the filters that form the perceptions of others and raise awareness of what demotivates and what motivates others.

Presenter: Shelly Sherman, M.Ed.
Executive Director
