INCLUSIVE EXCELLENCE WORKSHOP
INFORMED DISCUSSIONS
July 17 | 2-4:00 | University Hall 454
PRESENTER: DY’AN MARINOS, EdD (c), LPC, CDP

We often engage in discussions around challenging topics without employing the tenets of effective, intentional, and positive dialogue. This workshop is considered fundamental for enhancing cross-cultural communication skills; offering tips and strategies to participants for facilitating difficult conversations around “hot button” issues. The interactive components of this workshop are designed to enhance (1) participants’ understanding of respectful communication (2) the ability to address conflict to avoid destructive speech and behavior, and (3) skills for encouraging honest dialogue while remaining civil with classmates and colleagues.

Dy’an Marinos is a graduate of University of Cincinnati (UC), a National Diversity Council Certified Diversity Professional (CDP), and Licensed Professional Counselor (LPC). She has extensive experience working with underrepresented populations in the mental health, higher education, and non-profit arenas. Dy’an has been invited speaker at local, national, and international conferences where she presented her research on creating inclusive classrooms and work spaces; advancing cultural sensitivity among counselors-in-training; increasing diversity, equity, and inclusion among students, faculty, and staff in higher education and; working effectively with student activists.
