
CDO Report
M. Livingston reported that L. Bilionis had to leave town for a family illness and sent his regards given this is the last meeting for the academic year.

M. Livingston reported on the recent inaugural Rainbow Graduation Celebration that recognized faculty, staff and students. He noted the students did a spectacular job organizing the event. D. Meem received the Outstanding Service Award.

The Diversity Task Force has completed its work on the Diversity Plan and they are in the process of finalizing the plan given feedback from the vetting sessions. Once the report is in final form, it will be shared with the Council and routed to Provost Ono for inclusion in the UC2019 Strategic Plan. A set of recommendations for immediate action will be sent to the President for his consideration. Money has been designated for implementation but all the recommendations will be prioritized. It is anticipated that next year will focus on prioritizing action items.

M. Livingston noted L. Bilionis has approved the Council members to rotate off in the first cycle; they are: C. Collins, S. Downing, V. Hardcastle, A. Ingber, A. Leonard, R. Martin, C. Miller, E. Owens, N. Pinto and J. Ricks. All have been notified and they are working with appropriate administrators to identify replacements. B. Zierolf joined the meeting today. Other new appointees will join in the fall when the Council resumes its meeting schedule.

M. Livingston reported he will be meeting with K. Faaborg on 6/22 to develop the template for units to use when setting their diversity objectives. This will serve as the system of accountability.

Safe Zone Training
L. Smith was welcomed to the meeting and provided training for the remainder of the session. She noted the focus of the center is currently to support students but hopes to include faculty and staff in the future.

Minutes approved by M. Livingston.

Future meeting schedule to be determined.
