ANNUAL GIVING

Each year the UC Early Learning Center conducts an Annual Giving Campaign for special center projects, programs and services to the children and their families. We are a 501 (c) (3) not-for-profit organization.

ONE DONATION – TWO LIVES

Our Success² Child Care Scholarship Program began in 2006 to raise funds for child care tuition scholarships for low income student parents. Success² is a unique program that removes one of the many barriers that low-income student families often face when trying to better their lives. At the same time, it gives their child the best start possible to learn and grow, and ultimately become successful college students down the road.

YOU CAN CHANGE THE FUTURE OF 2 GENERATIONS

For more information about our Success² Child Care Scholarship Program or other Annual Giving options, contact: Kristina Speidel, Executive Director at (513) 961-2825
