The purpose of this document is to provide the fraternities and sororities of the UC Greek Community, their Advisors, and prospective members with a source of information regarding Membership Intake. Chapter Members, Chapter Advisors and Fraternity and Sorority Life will work together to ensure a successful and positive experience for all involved.

In order for the Fraternity and Sorority Life to assist chapters with the intake process and avoid potential problems, chapters must adhere to the following guidelines if they are to conduct intake at University of Cincinnati:

These forms list the individuals approved by your chapter that will be submitted to your regional or national representatives as aspirants for membership. Violations:

Violations of the intake process may result in probation or suspension. Whether the chapter will be placed on probation or receive automatic suspension is based upon the infractions and is at the discretion of the Fraternity and Sorority Life Advisor.

Probation is noted by a period of scrutiny wherein if the chapter commits any violation of the intake process or any other rules set forth by the advisors or Fraternity and Sorority Life, the chapter will be placed on suspension. Suspension is noted by a period wherein all social and formal programming (this includes community service, all fundraising activities, and intake functions) is prohibited. The suspension period will be determined by the Fraternity and Sorority Life Advisor.

Violations include:

1. Intentional submission of improper paperwork (i.e., changing of dates on forms, falsifying original signatures, incomplete paper work, etc.)

2. Holding membership intake without adhering to the Intake Guidelines set by Fraternity and Sorority Life.

3. Hazing: Any violations of the University of Cincinnati Hazing Policy will result in a referral to Judicial Affairs.

4. Overt activity defined as any activity related to intake conducted in defiance of previous guidelines or warnings by council advisors.
5. Failure to adhere to Presentation of New Member Guidelines (as included in this packet).

**Guidelines for Review of Chapter Status for Suspension:**

1. Executive Board: Chapter President and/or 1 representative must be present.
2. The Chapter Advisors must be present (both Faculty and Graduate Chapter advisors).
3. The Fraternity and Sorority Life Advisor

All questions and concerns must be expressed by the Chapter President to the council advisor/s. If any questions regarding the Guidelines arise, they may be discussed between the members of the chapter and the council advisor/s. Final jurisdiction and decision-making authority rests in the hands of the Fraternity and Sorority Life Advisor.

Students found guilty of hazing will be subject to penalties outlined by the University of Cincinnati policy, as well as any sanctions outlined by the national organization.

**HAZING**

**Hazing is not acceptable.** It is illegal. It can seem relatively harmless—sometimes just a waste time. But it can also be extremely dangerous and result in serious injury or death.

Hazing is any activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers them **regardless of a person’s willingness to participate.**

The University of Cincinnati Student Code of Conduct and Board of Trustees University Rules define and prohibit hazing. There are rather exhaustive lists of what activities are, or could be considered, hazing. **Every national fraternity/sorority, governing conference, and national honor society has a no hazing policy.**

The laws of the state of Ohio and the University of Cincinnati policies concerning hazing shall be observed.

Hazing shall be defined as participating in or allowing any act or coercing another, including the victim, to do any act that creates a substantial risk of causing mental or physical harm to any person. A forced or coerced activity shall also be considered hazing when the initiation or administration into, or continued affiliation with, a university organization is directly or indirectly conditional upon performing the activity. In no event shall the willingness of an individual to participate in such an activity serve as defense in cases of hazing.

**A hazing incident may be reported by anyone; a person who the activity directly affected, a person who was involved in the incident; faculty/staff, parents, friends, or community members. If you have witnessed or have knowledge of a possible hazing incident, please report the incident.**

ANY member of the University Community may file an anonymous concern or complaint regarding hazing via CampusLINK. Your report will result in an investigation regardless of whether or not you choose to submit your name and contact information. Should you choose to submit your name and contact information, you may be contacted for a confidential interview so the appropriate Administrator may gather additional information from regarding your incident report.

Our goal is to end hazing so we don’t want you to be fearful of reporting it. If you have been involved in a hazing incident and/or your chapter has been involved, you may be exonerated from any past actions as long as you report the incident yourself and work with the Office of Fraternity/Sorority Affairs to correct the issue within your chapter. The purpose of the Office is to educate you and your chapter on how to accomplish goals and have safe and enjoyable activities which do not compromise principles or respect for individuals. If you report yourself or your chapter, you will not be exonerated from future hazing actions.
**Intake: Things to Remember**

The council advisor/s will present the intake guidelines at the first general body meeting of each academic semester.

1. This packet must be submitted **prior to an interest meeting**. If it is not you put your chapter in jeopardy of rescheduling your interest meeting.

2. Each chapter must submit a calendar of events for intake activities and a Notice of Membership Intake Form at the initial meeting with the Fraternity and Sorority Life Advisor. The calendar of events must be approved at least one week before any intake related activities commence.

3. The Notice of Membership Intake form must contain the original signature (**no faxes will be accepted**) of the Chapter President and both Faculty and Graduate Chapter Advisors.

4. Submit the date of the presentation of new members and bring a copy of the reservation confirmation required to proceed with the “show” if applicable. If this cannot be submitted at the initial meeting with the council advisor, then notify the advisor no less than one week prior to the event. At this time, chapters must submit the necessary paperwork required to proceed with the activity to Fraternity and Sorority Life.

Without the submission of the required paperwork intake will not be approved. In the event that the intake activities begin without the knowledge and signed approval of the council advisors, and/or the chapter has not adhered to these written Intake Guidelines, intake activities will cease immediately, and the chapter may be placed on suspension. These sanctions will be administered appropriately at the discretion of the council advisor and the Fraternity and Sorority Life Advisor.
