Plan Description Information Continued

10. This is a self-insured and self-administered health benefit plan. The cost of the Plan is paid with contributions shared by the employer and the employee. Benefits under the Plan are provided from the general assets of the employer and are used to fund payment of covered claims under the Plan plus administrative expenses. Please see your employer for the method of calculating contributions and the funding mechanism used for the accumulation of assets through which benefits are provided under this Plan.

11. Each employee of the employer who participates in the Plan receives a Summary Plan Description, which is this booklet. This booklet will be provided to employees by the employer. It contains information regarding eligibility requirements, termination provisions, a description of the benefits provided and other Plan information.

12. The Plan benefits and/or contributions may be modified or amended from time to time, or may be terminated at any time by the Plan Sponsor. Significant changes to the Plan, including termination, will be communicated to participants as required by applicable law.

13. Upon termination of the Plan, the rights of the participants to benefits are limited to claims incurred and payable by the Plan up to the date of termination. Plan assets, if any, will be allocated and disposed of for the exclusive benefit of the participating employees and their dependents covered by the Plan, except that any taxes and administration expenses may be made from the Plan assets.

14. The Plan does not constitute a contract between the employer and any covered person and will not be considered as an inducement or condition of the employment of any employee. Nothing in the Plan will give any employee the right to be retained in the service of the employer, or for the employer to discharge any employee at any time. It is provided, however, that the foregoing will not modify the provisions of any collective bargaining agreement which may be made by the employer with the bargaining representative of any employees. A copy of the collective bargaining agreement will be made available by the employer for review, upon written request.

15. This Plan is not in lieu of and does not affect any requirement for coverage by workers' compensation insurance.
SCHEDULE OF BENEFITS

NOTE:Italicized terms within the text are defined in the Definitions section of this booklet.

In-network dentists have signed a contract with the Plan Manager, agreeing to accept reduced fees for the dental procedures they provide. This reduces your out-of-pocket costs. They have also agreed not to charge you any amount that exceeds the fees agreed upon, aside from deductibles, coinsurance, and fees for procedures not covered.

If you have questions about whether a particular dentist is an in-network dentist or need verification about the status of a provider, please contact the Plan Manager at 1-800-233-4013, or your Plan Administrator. You can also visit: www.humanadental.com/dentistfinder.

If you choose to receive your dental care from an out-of-network dentist, covered expenses listed below are payable on a maximum allowable fee basis.

This schedule provides a brief overview of Plan benefits and is not a complete description. Refer to the text for a detailed description of your Plan benefits.

Schedule of Benefits Continued

PREDETERMINATION OF BENEFITS

If expense incurred in performing a dental service or one (1) series of dental services can reasonably be expected to be $200 or more, the Plan recommends you or the provider submit those charges for a predetermination of benefits. The Plan Manager will advise you and the provider what expenses will be covered under the Plan. The Plan Manager will take into account alternate procedures, services, or courses of treatment based upon professionally endorsed standards of dental care. A predetermination of benefits is not a guarantee of benefits. Services will be subject to all terms and provisions of the Plan at the time treatment is rendered.

If treatment is to commence more than ninety (90) days after the date treatment is authorized, the Plan Manager will require you to submit another treatment plan.

Before you schedule dental appointments, you should discuss with your dentist the amount to be paid by the Plan and your financial obligation for the proposed treatment.

ALTERNATE SERVICES
(Does not apply to Implant coverage)

If two (2) or more services are considered to be acceptable to correct the same dental condition, the benefits payable will be based on the covered expenses for the least expensive service which will produce a professionally satisfactory result as determined by the Plan Manager.

If you or your dentist decide on a more costly treatment than the Plan Manager has determined to be satisfactory for treatment of the condition, benefits will be limited to the lesser of the maximum allowable fee charge or predetermined charge and are subject to any deductible and coinsurance for the least costly treatment. The excess amount will not be paid by the Plan.

ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

OPEN ENROLLMENT

One (1) time each year you will have a choice of enrolling in this Plan. You will be notified in advance when the open enrollment period is to begin and how long it will last. Please see your employer for more information.

EMPLOYEE ELIGIBILITY

You are eligible for coverage if the following conditions are met:

1. You are an employee who meets the eligibility requirements of the employer; and
2. You are in active status.

Your eligibility date is the first of the month following your date of hire. Please see your employer for more information.

EMPLOYEE EFFECTIVE DATE OF COVERAGE

You must enroll in a manner acceptable to the Plan Manager.

1. If your completed enrollment is received by the Plan Manager before your eligibility date or within thirty-one (31) days after your eligibility date, you are a timely applicant and your coverage is effective on your eligibility date.

2. If your completed enrollment is received by the Plan Manager more than thirty-one (31) days after your eligibility date, you are a late applicant. If you elected ‘no coverage’ or did not respond to initial enrollment information, you will not be eligible for coverage under this Plan until the next annual open enrollment period.

3. If your completed enrollment is received by the Plan Manager after forty-five (45) days from receiving initial enrollment materials, you will be defaulted to Plan two (2) or Plan five (5).

Please see your employer for more information.

EMPLOYEE DELAYED EFFECTIVE DATE

If the employee is not in active status on the effective date of coverage, coverage will be effective the day the employee returns to active status. The employer must notify the Plan Manager in writing of the employee's return to active status.

DEPENDENT ELIGIBILITY

Each dependent is eligible for coverage on:

1. The date the employee is eligible for coverage, if he or she has dependents who may be covered on that date; or
Eligibility and Effective Date of Coverage Continued

2. The date of the employee's marriage for any dependent acquired on that date; or

3. The date of birth of the employee's natural-born child; or

4. The date a child is placed for adoption under the employee's legal guardianship, or the date which the employee incurs a legal obligation for total or partial support in anticipation of adoption; or

5. The date a covered employee's child is determined to be eligible as an alternate recipient under the terms of a medical child support order.

The covered employee may cover dependents only if the employee is also covered. Check with your employer immediately on how to enroll for dependent coverage. Late enrollment will result in denial of dependent coverage until the next annual open enrollment period or default to Plan two (2) or Plan five (5). Please see your employer for more information.

DEPENDENT EFFECTIVE DATE OF COVERAGE – WHEN A CHANGE IN THE EMPLOYEE’S LEVEL OF COVERAGE IS NOT REQUIRED

If the employee wishes to add a newborn dependent to the Plan and a change in the employee’s level of coverage is not required, enrollment must be completed and submitted to the Plan Manager.

The newborn dependent will be covered on the date he or she is eligible.

If the employee wishes to add a dependent (other than a newborn) to the Plan and a change in the employee’s level of coverage is not required, the dependent’s effective date of coverage is determined as follows:

1. If completed enrollment is received by the Plan Manager before the dependent’s eligibility date or within thirty-one (31) days after the dependent’s eligibility date, that dependent is a timely applicant and covered on the date he or she is eligible.

2. If completed enrollment is received by the Plan Manager more than thirty-one (31) days after the dependent’s eligibility date, the dependent is a late applicant. The dependent may not be eligible for coverage under this Plan until the next annual open enrollment period or default to Plan two (2) or Plan five (5). Please see your employer for more information.

No dependent's effective date will be prior to the covered employee's effective date of coverage. A dependent child who becomes eligible for other group coverage through any employment is no longer eligible for coverage under this Plan. If your dependent child becomes an eligible employee of the employer, he or she is no longer eligible as your dependent and must make application as an eligible employee.
Eligibility and Effective Date of Coverage Continued

DEPENDENT EFFECTIVE DATE OF COVERAGE – WHEN A CHANGE IN THE EMPLOYEE’S LEVEL OF COVERAGE IS REQUIRED

If the employee wishes to add a dependent to the Plan and a change in the employee’s level of coverage is required, enrollment must be completed and submitted to the Plan Manager.

The dependent’s effective date of coverage is determined as follows:

2. If completed enrollment is received by the Plan Manager more than thirty-one (31) days after the dependent’s eligibility date, the dependent is a late applicant. The dependent may not be eligible for coverage under this Plan until the next annual open enrollment period or default to Plan two (2) or Plan five (5). Please see your employer for more information.

No dependent's effective date will be prior to the covered employee's effective date of coverage. If your dependent child becomes an eligible employee of the employer, he or she is no longer eligible as your dependent and must make application as an eligible employee.

MEDICAL CHILD SUPPORT ORDERS

An individual who is a child of a covered employee shall be enrolled for coverage under the Plan in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSN).

A QMCSO is a state court order or judgment, including approval of a settlement agreement that: (a) provides for support of a covered employee’s child; (b) provides for health care coverage for that child; (c) is made under state domestic relations law (including a community property law); (d) relates to benefits under the Plan; and (e) is “qualified” in that it meets the technical requirements of applicable law. QMCSO also means a state court order or judgment that enforces a state Medicaid law regarding medical child support required by Social Security Act §1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSN is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO that requires coverage under the Plan for the dependent child of a non-custodial parent who is (or will become) a covered person by a domestic relations order that provides for health care coverage.

Procedures for determining the qualified status of medical child support orders are available at no cost upon request from the Plan Administrator.
Eligibility and Effective Date of Coverage Continued

SPECIAL PROVISIONS FOR NOT BEING IN ACTIVE STATUS

If required contributions are made and your employer does not terminate the Plan, your coverage may remain in force during part-time status, approved leave of absence, following a layoff, period of total disability or approved military leave of absence (other than USERRA). Please see your employer for more information.

REINSTATEMENT OF COVERAGE FOLLOWING INACTIVE STATUS

If your coverage under the Plan was terminated after a period of layoff, total disability, approved leave of absence, or during part-time status, and you are now returning to work, please see your employer for more information regarding the reinstatement of coverage.

If your coverage under the Plan was terminated due to a period of service in the uniformed services covered under the Uniformed Services Employment and Reemployment Rights Act of 1994, your coverage is effective immediately on the day you return to work.

FAMILY AND MEDICAL LEAVE ACT (FMLA)

If you are granted a leave of absence (Leave) by the employer as required by the Federal Family and Medical Leave Act, you may continue to be covered under the Plan for the duration of the Leave under the same conditions as other employees who are in active status and covered by the Plan. If you choose to terminate coverage during the Leave, or if coverage terminates as a result of nonpayment of any required contribution, coverage may be reinstated on the date you return to active status immediately following the end of the Leave. Charges incurred after the date of reinstatement will be paid as if you had been continuously covered.

RETIREE COVERAGE

If you retire from active employment with the employer, you may be eligible to continue coverage under the Plan. Please see your employer for more information.

SURVIVORSHIP COVERAGE

If the retiree dies while covered under the Plan, the surviving spouse and any eligible dependents may continue coverage under the Plan indefinitely. Any dependents acquired through the remarriage of the retiree’s surviving spouse may be added by timely enrollment. For all others, survivorship would be COBRA.
Eligibility and Effective Date of Coverage Continued

SPECIAL ENROLLMENT

If you previously declined coverage under this Plan for yourself or any eligible dependents, due to the existence of other health coverage (including COBRA), and that coverage is now lost, this Plan permits you, your dependent spouse, and any eligible dependents to be enrolled for dental benefits under this Plan due to any of the following qualifying events:

1. Loss of eligibility for the coverage due to any of the following:
   a. Legal separation;
   b. Divorce;
   c. Cessation of dependent status (such as attaining the limiting age);
   d. Death;
   e. Termination of employment;
   f. Reduction in the number of hours of employment;
   g. Meeting or exceeding a lifetime limit on all benefits;
   h. Plan no longer offering benefits to a class of similarly situated individuals, which includes the employee;
   i. Any loss of eligibility after a period that is measured by reference to any of the foregoing.

However, loss of eligibility does not include a loss due to failure of the individual or the participant to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan).

2. Employer contributions towards the other coverage have been terminated. Employer contributions include contributions by any current or former employer (of the individual or another person) that was contributing to coverage for the individual.

3. COBRA coverage under the other plan has since been exhausted.

The previously listed qualifying events apply only if you stated in writing at the previous enrollment the other health coverage was the reason for declining enrollment, but only if your employer requires a written waiver of coverage which includes a warning of the penalties imposed on late enrollees.

If you are a covered employee or an otherwise eligible employee, who either did not enroll or did not enroll dependents when eligible, you now have the opportunity to enroll yourself and/or any previously eligible dependents or any newly acquired dependents when due to any of the following family status changes:

1. Marriage;
2. Birth; or
3. Adoption or placement for adoption.
Eligibility and Effective Date of Coverage Continued

You may elect coverage under this Plan and will be considered a *timely applicant* provided completed enrollment is received within thirty-one (31) days from the qualifying event. You MUST provide proof that the qualifying event has occurred due to one (1) of the reasons listed, before coverage under this Plan will be effective. Coverage under this Plan will be effective the date immediately following the date of the qualifying event, unless otherwise specified in this section.

In the case of a *dependent's* birth, enrollment is effective on the date of such birth.

In the case of a *dependent's* adoption or placement for adoption, enrollment is effective on the date of such adoption or placement for adoption.

If you apply more than thirty-one (31) days after a qualifying event, you are considered a *late applicant* and may not be eligible for coverage under this Plan until the next annual open enrollment period or may be defaulted to Plan two (2) or Plan five (5).

Please see your employer for more details.
TERMINATION OF COVERAGE

Coverage terminates on the earliest of the following:

1. The date the Plan terminates;
2. The end of the period for which any required contribution was due and not paid;
3. The end of the calendar month you enter full-time military, naval or air service, except coverage may continue during an approved military leave of absence as indicated in the Special Provisions For Not Being in Active Status provision;
4. The end of the calendar month you fail to be in an eligible class of persons according to the eligibility requirements of the employer;
5. For all employees, the end of the calendar month in which you terminate employment with your employer;
6. For all employees, the end of the calendar month you retire, except coverage may continue as indicated in the Retiree Coverage provision;
7. For any benefit, the date the benefit is removed from the Plan;
8. For your dependents, the date your coverage terminates;
9. For a dependent, the end of the calendar month the dependent enters full-time military, naval or air service;
10. For a dependent, the end of the calendar month such covered person no longer meets the definition of dependent; or
11. The end of the calendar month you request termination of coverage to be effective for yourself and/or your dependents.

IF YOU OR ANY OF YOUR COVERED DEPENDENTS NO LONGER MEET THE ELIGIBILITY REQUIREMENTS, YOU AND YOUR EMPLOYER ARE RESPONSIBLE FOR NOTIFYING THE PLAN MANAGER OF THE CHANGE IN STATUS. COVERAGE WILL NOT CONTINUE BEYOND THE LAST DATE OF ELIGIBILITY EVEN IF SUCH NOTICE HAS NOT BEEN GIVEN TO THE PLAN MANAGER.
CONTINUATION OF DENTAL BENEFITS

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1986 (COBRA)

CONTINUATION OF BENEFITS

On April 7, 1986, the Consolidated Omnibus Budget Reconciliation Act (COBRA) was signed into law. This federal law applies to employers with twenty (20) or more employees. The law requires that employers offer employees and/or their dependents continuation of dental coverage at group rates in certain instances where there is a loss of group insurance coverage.

ELIGIBILITY

A qualified beneficiary under COBRA law means an employee, employee's spouse or dependent child covered by the Plan on the day before a qualifying event. A qualified beneficiary under COBRA law also includes a child born to the employee during the coverage period or a child placed for adoption with the employee during the coverage period.

EMPLOYEE: An employee covered by the employer's Plan has the right to elect continuation coverage if coverage is lost due to one (1) of the following qualifying events:

- Termination (for reasons other than gross misconduct, as defined by your employer) of the employee's employment or reduction in the hours of employee's employment; or
- Termination of retiree coverage when the former employer discontinues retiree coverage within one (1) year before or one (1) year after filing for Chapter 11 bankruptcy.

SPOUSE: A spouse covered by the employer's Plan has the right to elect continuation coverage if the group coverage is lost due to one (1) of the following qualifying events:

- The death of the employee;
- Termination of the employee's employment (for reasons other than gross misconduct, as defined by your employer) or reduction of the employee's hours of employment with the employer;
- Divorce or legal separation from the employee;
- The employee becomes entitled to Medicare benefits; or
- Termination of a retiree spouse's coverage when the former employer discontinues retiree coverage within one (1) year before or one (1) year after filing for Chapter 11 bankruptcy.

DEPENDENT CHILD: A dependent child covered by the employer's Plan has the right to continuation coverage if group coverage is lost due to one (1) of the following qualifying events:

- The death of the employee parent;
- The termination of the employee parent's employment (for reasons other than gross misconduct, as defined by your employer) or reduction in the employee parent's hours of employment with the employer;
- The employee parent's divorce or legal separation;
- Ceasing to be a "dependent child" under the Plan;
- The employee parent becomes entitled to Medicare benefits; or
- Termination of the retiree parent's coverage when the former employer discontinues retiree coverage within one (1) year before or one (1) year after filing for Chapter 11 bankruptcy.
COBRA Continued

LOSS OF COVERAGE

Coverage is lost in connection with the foregoing qualified events, when a covered *employee*, spouse or *dependent* child ceases to be covered under the same Plan terms and conditions as in effect immediately before the qualifying event (such as an increase in the premium or contribution that must be paid for *employee*, spouse or *dependent* child coverage).

If coverage is reduced or eliminated in anticipation of an event (for example, an *employer* eliminating an *employee's* coverage in anticipation of the termination of the *employee's* employment, or an *employee* eliminating the coverage of the *employee's* spouse in anticipation of a divorce or legal separation), the reduction or elimination is disregarded in determining whether the event causes a loss of coverage.

A loss of coverage need not occur immediately after the event, so long as it occurs before the end of the Maximum Coverage Period.

NOTICES AND ELECTION

The Plan provides that coverage terminates, for a spouse due to legal separation or divorce or for a child when that child loses *dependent* status. Under the law, the *employee* or qualified beneficiary has the responsibility to inform the Plan Administrator (see Plan Description Information) if one (1) of the above events has occurred. The qualified beneficiary must give this notice within sixty (60) days after the event occurs. (For example, an ex-spouse should make sure that the Plan Administrator is notified of his or her divorce, whether or not his or her coverage was reduced or eliminated in anticipation of the event). When the Plan Administrator is notified that one (1) of these events has happened, it is the Plan Administrator's responsibility to notify the qualified beneficiary of the right to elect continuation coverage.

For a qualified beneficiary who is determined under the Social Security Act to be disabled at any time during the first sixty (60) days of COBRA coverage, the continuation coverage period may be extended eleven (11) additional months. The disability that extends the eighteen (18) month coverage period must be determined under Title II (Old Age, Survivors, and Disability Insurance) or Title XVI (Supplemental Security Income) of the Social Security Act. To be entitled to the extended coverage period, the disabled qualified beneficiary must provide notice to the Plan Administrator within the initial eighteen (18) month coverage period and within sixty (60) days after the date of the determination of disability under the Social Security Act. Failure to provide this notice will result in the loss of the right to extend the COBRA continuation period.

For termination of employment, reduction in work hours, the death of the *employee*, the *employee* becoming covered by *Medicare* or loss of retiree benefits due to bankruptcy, it is the Plan Administrator's responsibility to notify the qualified beneficiary of the right to elect continuation coverage.

Under the law, continuation coverage must be elected within sixty (60) days after Plan coverage ends, or if later, sixty (60) days after the date of the notice of the right to elect continuation coverage. If continuation coverage is not elected within the sixty (60) day period, the right to elect coverage under the Plan will end.

A covered *employee* or the spouse of the covered *employee* may elect continuation coverage for all covered *dependents*, even if the covered *employee* or spouse of the covered *employee* or all covered *dependents* are covered under another group health plan (as an employee or otherwise) prior to the election. The covered *employee*, his or her spouse and *dependent* child, however, each have an independent right to elect continuation coverage. Thus a spouse or *dependent* child may elect continuation coverage even if the covered *employee* does not elect it.
COBRA Continued

Coverage will not be provided during the election period. However, if the individual makes a timely election, coverage will be provided from the date that coverage would otherwise have been lost. If coverage is waived before the end of the sixty (60) day election period and the waiver revoked before the end of the sixty (60) day election period, coverage will be effective on the date the election of coverage is sent to the Plan Administrator.

MAXIMUM COVERAGE PERIOD

Coverage may continue up to:

- Eighteen (18) months for an employee and/or dependent whose group coverage ended due to termination of the employee's employment or reduction in hours of employment;
- Thirty-six (36) months for a spouse whose coverage ended due to the death of the employee or retiree, divorce, or the employee becoming entitled to Medicare at the time of the initial qualifying event;
- Thirty-six (36) months for a dependent child whose coverage ended due to the divorce of the employee parent, the employee becoming entitled to Medicare at the time of the initial qualifying event, the death of the employee, or the child ceasing to be a dependent under the Plan; or
- For the retiree, until the date of death of the retiree who is on continuation due to loss of coverage within one (1) year before or one (1) year after the employer filed Chapter 11 bankruptcy.

DISABILITY

An eleven (11) month extension of coverage may be available if any of the qualified beneficiaries are determined by the Social Security Administration (SSA) to be disabled. The disability has to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the eighteen (18) month period of continuation coverage. The qualified beneficiary must provide notice of such determination prior to the end of the initial eighteen (18) month continuation period to be entitled to the additional eleven (11) months of coverage. Each qualified beneficiary who has elected continuation coverage will be entitled to the eleven (11) month disability extension if one of them qualifies. If a qualified beneficiary is determined by SSA to no longer be disabled, you must notify the Plan of that fact within thirty (30) days after SSA’s determination.

SECOND QUALIFYING EVENT

An eighteen (18) month extension of coverage will be available to spouses and dependent children who elect continuation coverage if a second qualifying event occurs during the first eighteen (18) months of continuation coverage. The maximum amount of continuation coverage available when a second qualifying event occurs is thirty-six (36) months. Such second qualifying event may include the death of a covered employee, divorce or separation from the covered employee, the covered employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), or a dependent child’s ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. You must notify the Plan within sixty (60) days after the second qualifying event occurs if you want to extend your continuation coverage.
TERMINATION BEFORE THE END OF MAXIMUM COVERAGE PERIOD

Continuation coverage will terminate before the end of the Maximum Coverage Period for any of the following reasons:

- The employer no longer provides group health coverage to any of its employees;
- The premium for continuation is not paid timely;
- The individual on continuation becomes covered under another group health plan (as an employee or otherwise);
- The individual on continuation becomes entitled to Medicare benefits;
- If there is a final determination under Title II or XVI of the Social Security Act that an individual is no longer disabled; however, continuation coverage will not end until the month that begins more than thirty (30) days after the determination; or
- The occurrence of any event (e.g. submission of a fraudulent claim) permitting termination of coverage for cause under the Plan.

TYPE OF COVERAGE; PREMIUM PAYMENT

If continuation coverage is elected, the coverage must be identical to the coverage provided under the employer's Plan to similarly situated non-COBRA beneficiaries. This means that if the coverage for similarly situated non-COBRA beneficiaries is modified, coverage for the individual on continuation will be modified.

The initial premium payment for continuation coverage is due by the 45th day after coverage is elected. The initial premium includes charges back to the date the continuation coverage began. All other premiums are due on the first of the month for which the premium is paid, subject to a thirty-one (31) day grace period. The employer must provide the individual with a quote of the total monthly premium.

Premium for continuation coverage may be increased, however, the premium may not be increased more than once in any determination period. The determination period is a twelve (12) month period which is established by the Plan.

The monthly premium payment to the Plan for continuing coverage must be submitted directly to the employer. This monthly premium may include the employee's share and any portion previously paid by the employer. The monthly premium must be a reasonable estimate of the cost of providing coverage under the Plan for similarly situated non-COBRA beneficiaries. The premium for COBRA continuation coverage may include a 2% administration charge. However, for qualified beneficiaries who are receiving up to eleven (11) months additional coverage (beyond the first eighteen (18) months) due to disability extension (and not a second qualifying event), the premium for COBRA continuation coverage may be up to 150% of the applicable premium for the additional months. Qualified beneficiaries who do not take the additional eleven (11) months of special coverage will pay up to 102% of the premium cost.

THE UNIFORMED SERVICES EMPLOYMENT & REEMPLOYMENT RIGHTS ACT OF 1994 (USERRA)

CONTINUATION OF BENEFITS

Effective October 13, 1994 federal law requires that health plans must offer to continue coverage for employees who are absent due to service in the uniformed services and/or their dependents. Coverage may continue for up to twenty-four (24) months after the date the employee is first absent due to uniformed service.

ELIGIBILITY

An employee is eligible for continuation under USERRA if absent from employment because of voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard, the commissioned corps of the Public Health Service or any other category of person designated by the President of the United States of America in a time of war or national emergency. Duty includes absence for active duty, active duty for training, initial active duty for training, full-time National Guard duty, inactive duty training and for the purpose of an examination to determine fitness for duty.

An employee's dependent who has coverage under the Plan immediately prior to the date of the employee's covered absence is eligible to elect continuation under USERRA.

PREMIUM PAYMENT

If continuation of Plan coverage is elected under USERRA, the employee or dependent is responsible for payment of the applicable cost of coverage. If the employee is absent for thirty (30) days or less, the cost will be the amount the employee would otherwise pay for coverage. For absences exceeding thirty (30) days, the cost may be up to 102% of the cost of coverage under the Plan. This includes the employees share and any portion previously paid by the employer.

DURATION OF COVERAGE

Elected continuation coverage under USERRA will continue until the earlier of:

- Twenty-four (24) months beginning the first day of absence from employment due to service in the uniformed services; or
- The day after the employee fails to apply for or return to employment as required by USERRA, after completion of a period of service.

Under federal law, the period of coverage available under USERRA shall run concurrently with the COBRA period available to an employee and/or eligible dependents.

OTHER INFORMATION

Employees should contact their employer with any questions regarding coverage normally available during a military leave of absence or continuation coverage and notify the employer of any changes in marital status, or a change of address.
COORDINATION OF BENEFITS

BENEFITS SUBJECT TO THIS PROVISION

Benefits described in this Plan are coordinated with benefits provided by other plans under which you are also covered. This is to prevent duplication of coverage and a resulting increase in the cost of dental coverage.

For this purpose, a plan is one which covers medical or dental expenses and provides benefits or services by group, franchise or blanket insurance coverage. This includes group-type contracts not available to the general public, obtained and maintained only because of the covered person's membership in or connection with a particular organization or group, whether or not designated as franchise, blanket, or in some other fashion. Plan also includes any coverage provided through the following:

1. Employer, trustee, union, employee benefit, or other association; or
2. Governmental programs, programs mandated by state statute, or sponsored or provided by an educational institution.

This Coordination of Benefits provision does not apply to any individual policies or Blanket Student Accident Insurance provided by or through an educational institution. Allowable expense means any eligible expense, a portion of which is covered under one (1) of the plans covering the person for whom claim is made. Each plan will determine what is an allowable expense according to the provisions of the respective plan. When a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an allowable expense and a benefit paid.

EFFECT ON BENEFITS

One (1) of the plans involved will pay benefits first. This is called the primary plan. All other plans are called secondary plans.

When this Plan is the secondary plan, the sum of the benefit payable will not exceed 100% of the total allowable expenses incurred under the Plan and any other plans included under this provision.

ORDER OF BENEFIT DETERMINATION

In order to pay claims, it must be determined which plan is primary and which plan(s) are secondary. A plan will pay benefits first if it meets one (1) of the following conditions:

1. The plan has no coordination of benefits provision;
2. The plan covers the person as an employee;
3. For a child who is covered under both parents' plans, the plan covering the parent whose birthday (month and day) occurs first in the calendar year pays before the plan covering the other parent. If the birthdates of both parents are the same, the Plan which has covered the person for the longer period of time will be determined the primary plan;
Coordination of Benefits Continued

If a plan other than this Plan does not include provision three (3), then the gender rule will be followed to determine which plan is primary.

4. In the case of dependent children covered under the plans of divorced or separated parents, the following rules apply:

   a. The plan of a parent who has custody will pay the benefits first;

   b. The plan of a step-parent who has custody will pay benefits next;

   c. The plan of a parent who does not have custody will pay benefits next;

   d. The plan of a step-parent who does not have custody will pay benefits next.

There may be a court decree which gives one (1) parent financial responsibility for the medical or dental expenses of the dependent children. If there is a court decree, the rules stated above will not apply if they conflict with the court decree. Instead, the plan of the parent with financial responsibility will pay benefits first.

5. If a person is laid off or is retired or is a dependent of such person, that plan covers after the plan covering such person as an active employee or dependent of such employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule will be ignored.

If the above rules do not apply or cannot be determined, then the plan that covered the person for the longest period of time will pay first.

RIGHT OF RECOVERY

The Plan reserves the right to recover benefit payments made for an allowable expense under the Plan in the amount which exceeds the maximum amount the Plan is required to pay under these provisions. This right of recovery applies to the Plan against:

1. Any person(s) to, for or with respect to whom, such payments were made; or

2. Any other insurance companies, or organizations which according to these provisions, owe benefits due for the same allowable expense under any other plan.

The Plan alone will determine against whom this right of recovery will be exercised.
REIMBURSEMENT/SUBROGATION

The beneficiary agrees that by accepting and in return for the payment of covered expenses by the Plan in accordance with the terms of this Plan:

1. The Plan shall be repaid the full amount of the covered expenses it pays from any amount received from others for the accidental injuries or losses which necessitated such covered expenses. Without limitation, "amounts received from others" specifically includes, but is not limited to, liability insurance, workers’ compensation, uninsured motorists, "no-fault" and automobile med-pay payments or recovery from any identifiable fund regardless of whether the beneficiary was made whole.

2. The Plan's right to repayment is, and shall be, prior and superior to the right of any other person or entity, including the beneficiary.

3. The right to recover amounts from others for the accidental injuries or losses which necessitate covered expenses is jointly owned by the Plan and the beneficiary. The Plan is subrogated to the beneficiary's rights to that extent. Regardless of who pursues those rights, the funds recovered shall be used to reimburse the Plan as prescribed above; the Plan has no obligation to pursue the rights for an amount greater than the amount that it has paid, or may pay in the future. The rights to which the Plan is subrogated are, and shall be, prior and superior to the rights of any other person or entity, including the beneficiary.

4. The beneficiary will cooperate with the Plan in any effort to recover from others for the accidental injuries or losses which necessitate covered expense payments by the Plan. The beneficiary will notify the Plan immediately of any claim asserted and any settlement entered into, and will do nothing at any time to prejudice the rights and interests of the Plan. Neither the Plan nor the beneficiary shall be entitled to costs or attorney fees from the other for the prosecution of the claim.

RIGHT TO COLLECT NEEDED INFORMATION

The beneficiary agrees to cooperate with the Plan Manager and assist the Plan Manager by:

- Authorizing the release of dental information including the names of all providers from whom you received dental attention;
- Obtaining dental information and/or records from any provider as requested by the Plan Manager;
- Providing information regarding the circumstances of your accidental injury;
- Providing information about other insurance coverage and benefits, including information related to any accidental injury for which another party may be liable to pay compensation or benefits; and
- Providing information the Plan Manager requests to administer the Plan.

Failure to provide the necessary information will result in denial of any pending or subsequent claims, pertaining to an accidental injury for which the information is sought, until the necessary information is satisfactorily provided.
Reimbursement/Subrogation Continued

DUTY TO COOPERATE IN GOOD FAITH

The beneficiary agrees to cooperate with the Plan Manager in order to protect the Plan’s recovery rights. Cooperation includes promptly notifying the Plan Manager that you may have a claim, providing the Plan Manager with relevant information, and signing and delivering such documents as the Plan Manager reasonably requests to secure the Plan’s recovery rights. You agree to obtain the Plan’s consent before releasing any party from liability for payment of dental expenses. You agree to provide the Plan Manager with a copy of any summons, complaint or any other process served any lawsuit in which you seek to recover compensation for your accidental injury and its treatment.

The beneficiary agrees to do whatever is necessary to enable the Plan Manager to enforce the Plan’s recovery rights and will do nothing after loss to prejudice the Plan’s recovery rights.

The beneficiary agrees not to attempt to avoid the Plan’s recovery rights by designating all (or any disproportionate part) of any recovery as exclusively for pain and suffering.

Failure of the covered person to provide the Plan Manager such notice or cooperation, or any action by the covered person resulting in prejudice to the Plan’s rights will be a material breach of this Plan and will result in the covered person being personally responsible to make repayment. In such an event, the Plan may deduct from any pending or subsequent claim made under this Plan any amounts the covered person owes the Plan until such time as cooperation is provided and the prejudice ceases.
GENERAL PROVISIONS

The following provisions are to protect your legal rights and the legal rights of the Plan.

INCONTESTABILITY

After you are covered under this Plan without interruption for two (2) years, the Plan cannot contest the validity of your coverage except for:

1. Nonpayment of premium;
2. Your ineligibility under the Plan;
3. Any Plan provision;
4. Any fraudulent misrepresentation made by you; or
5. Any defenses the Plan may have by law.

An independent incontestability period begins for each type of change in coverage or when the Plan requires new employee enrollment.

This provision only limits the Plan's rights to void your coverage after you have been covered without interruption for two (2) years.

RIGHT TO REQUEST OVERPAYMENTS

The Plan reserves the right to recover any payments made by the Plan that were:

1. Made in error; or
2. Made to you or any party on your behalf where the Plan determines the payment to you or any party is greater than the amount payable under this Plan.

The Plan has the right to recover against you if the Plan has paid you or any other party on your behalf.

WORKERS' COMPENSATION NOT AFFECTED

The Plan is not issued in lieu of, nor does it affect any requirement for coverage by any Workers' Compensation or Occupational Disease Act or Law.
General Provisions Continued

MEDICAID

This Plan will not take into account the fact that an employee or dependent is eligible for medical assistance or Medicaid under state law with respect to enrollment, determining eligibility for benefits, or paying claims.

If payment for Medicaid benefits has been made under a state Medicaid plan for which payment would otherwise be due under this Plan, payment of benefits under this Plan will be made in accordance with a state law which provides that the state has acquired the rights with respect to a covered employee to the benefits payment.

WORKERS' COMPENSATION

If benefits are paid by the Plan and the Plan determines you received Workers' Compensation for the same incident, the Plan has the right to recover as described under the Reimbursement/Subrogation provision. The Plan will exercise its right to recover against you even though:

1. The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
2. No final determination is made that an accidental injury was sustained in the course of or resulted from your employment;
3. The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by you or the Workers' Compensation carrier;
4. The medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

You hereby agree that, in consideration for the coverage provided by the Plan, you will notify the Plan Manager of any Workers' Compensation claim you make, and that you agree to reimburse the Plan as described above.

CONSTRUCTION OF PLAN TERMS

The Plan has the sole right to construe and prescribe the meaning, scope and application of each and all of the terms of the Plan, including, without limitation, the benefits provided thereunder, the obligations of the beneficiary and the recovery rights of the Plan; such construction and prescription by the Plan shall be final and uncontestable.

PRIVACY OF PROTECTED HEALTH INFORMATION

The Plan is required by law to maintain the privacy of your protected health information in all forms including written, oral and electronically maintained, stored and transmitted information and to provide individuals with notice of the Plan’s legal duties and privacy practices with respect to protected health information.
General Provisions Continued

The Plan has policies and procedures specifically designed to protect your health information when it is in electronic format. This includes administrative, physical and technical safeguards to ensure that your health information cannot be inappropriately accessed while it is stored and transmitted to the Plan Manager and others that support the Plan.

In order for the Plan to operate, it may be necessary from time to time for health care professionals, the Plan Administrator, individuals who perform Plan-related functions under the auspices of the Plan Administrator, the Plan Manager and other service providers that have been engaged to assist the Plan in discharging its obligations with respect to delivery of benefits, to have access to what is referred to as protected health information.

A covered person will be deemed to have consented to use of protected health information about him or her for the sole purpose of health care operations by virtue of enrollment in the Plan. The Plan must obtain authorization from a covered person to use protected health information for any other purpose.

Individually identifiable health information will only be used or disclosed for purposes of Plan operation or benefits delivery. In that regard, only the minimum necessary disclosure will be allowed. The Plan Administrator, Plan Manager, and other entities given access to protected health information, as permitted by applicable law, will safeguard protected health information to ensure that the information is not improperly disclosed.

Disclosure of protected health information is improper if it is not allowed by law or if it is made for any purpose other than Plan operation or benefits delivery without authorization. Disclosure for Plan purposes to persons authorized to receive protected health information may be proper, so long as the disclosure is allowed by law and appropriate under the circumstances. Improper disclosure includes disclosure to the employer for employment purposes, employee representatives, consultants, attorneys, relatives, etc. who have not executed appropriate agreements effective to authorize such disclosure.

The Plan Manager will afford access to protected health information in its possession only as necessary to discharge its obligations as a service provider, within the restrictions noted above. Information received by the Plan Manager is information received on behalf of the Plan.

The Plan Manager will afford access to protected health information as reasonably directed in writing by the Plan Administrator, which shall only be made with due regard for confidentiality. In that regard, the Plan Manager has been directed that disclosure of protected health information may be made to the following person(s):

General Provisions Continued

Individuals who have access to protected health information in connection with their performance of Plan-related functions under the auspices of the Plan Administrator will be trained in these privacy policies and relevant procedures prior to being granted any access to protected health information. The Plan Manager and other Plan service providers will be required to safeguard protected health information against improper disclosure through contractual arrangements.

In addition, you should know that the employer / Plan Sponsor may legally have access, on an as-needed basis, to limited health information for the purpose of determining Plan costs, contributions, Plan design, and whether Plan modifications are warranted. In addition, federal regulators such as the Department of Health and Human Services and the Department of Labor may legally require access to protected health information to police federal legal requirements about privacy.

Covered persons may have access to protected health information about them that is in the possession of the Plan, and they may make changes to correct errors. Covered persons are also entitled to an accounting of all disclosures that may be made by any person who acquires access to protected health information concerning them and uses it other than for Plan operation or benefits delivery. In this regard, please contact the Plan Administrator.

Covered persons are urged to contact the originating health care professional with respect to dental information that may have been acquired from them, as those items of information are relevant to dental care and treatment. And finally, covered persons may consent to disclosure of protected health information, as they please.
CLAIMS PROCEDURES

SUBMITTING A CLAIM

This section describes what a covered person (or his or her authorized representative) must do to file a claim for Plan benefits.

• A claim must be filed with the Plan Manager in writing and delivered to the Plan Manager, by mail, postage prepaid, by FAX, or by e-mail. However, a submission to obtain pre-authorization may also be filed with the Plan Manager by telephone (this applies only with respect to urgent care claims).

• Claims must be submitted to the Plan Manager at the address indicated in the documents describing the Plan or claimant’s identification card. Claims will not be deemed submitted for purposes of these procedures unless and until received at the correct address.

• Also, claims submissions must be in a format acceptable to the Plan Manager and compliant with any applicable legal requirements. Claims that are not submitted in accordance with the requirements of applicable federal law respecting privacy of protected health information and/or electronic claims standards will not be accepted by the Plan.

• Claims submissions must be timely. Claims must be filed as soon as reasonably possible after they are incurred, and in no event later than fifteen (15) months after the date of loss, except if you were legally incapacitated. Plan benefits are only available for claims that are incurred by a covered person during the period that he or she is covered under the Plan.

• Claims submissions must be complete. They must contain, at a minimum:
  ♦ The name of the covered person who incurred the covered expense;
  ♦ The name and address of the dental provider;
  ♦ The diagnosis of the condition;
  ♦ The procedure or nature of the treatment;
  ♦ The date of and place where the procedure or treatment has been or will be provided;
  ♦ The amount billed and the amount of the covered expense not paid through coverage other than Plan coverage, as appropriate;
  ♦ Evidence that substantiates the nature, amount, and timeliness of each covered expense in a format that is acceptable according to industry standards and in compliance with applicable law.

Presentation of a prescription to a pharmacy does not constitute a claim. If a covered person is required to pay the cost of a covered prescription drug, however, he or she may submit a claim based on that amount to the Plan Manager or medical plan.

A general request for an interpretation of Plan provisions will not be considered to be a claim. Requests of this type, such as a request for an interpretation of the eligibility provisions of the Plan, should be directed to the Plan Administrator.
Claims Procedures Continued

Dental claims and correspondence should be mailed to:

Humana Dental Claims Office
P.O. Box 14611
Lexington, KY 40512-4611

PROCEDURAL DEFECTS

If a *pre-service claim* submission is not made in accordance with the Plan’s procedural requirements, the *Plan Manager* will notify the *claimant* of the procedural deficiency and how it may be cured no later than within five (5) days (or within twenty-four (24) hours, in the case of an *urgent care claim*) following the failure. A *post-service claim* that is not submitted in accordance with these claims procedures will be returned to the submitter.

ASSIGNMENTS AND REPRESENTATIVES

A *covered person* may assign his or her right to receive Plan benefits to a dental provider only with the consent of the *Plan Manager*, in its sole discretion, except as may be required by applicable law. Assignments must be in writing. If a document is not sufficient to constitute an assignment, as determined by the *Plan Manager*, then the Plan will not consider an assignment to have been made. An assignment is not binding on the Plan until the *Plan Manager* receives and acknowledges in writing the original or copy of the assignment before payment of the benefit.

If benefits are assigned in accordance with the foregoing paragraph and a dental provider submits claims on behalf of a *covered person*, benefits will be paid to that dental provider.

In addition, a *covered person* may designate an authorized representative to act on his or her behalf in pursuing a benefit claim or appeal. The designation must be explicitly stated in writing and it must authorize disclosure of *protected health information* with respect to the claim by the Plan, the *Plan Manager* and the authorized representative to one another. If a document is not sufficient to constitute a designation of an authorized representative, as determined by the *Plan Manager*, then the Plan will not consider a designation to have been made. An assignment of benefits does not constitute designation of an authorized representative.

- Any document designating an authorized representative must be submitted to the *Plan Manager* in advance, or at the time an authorized representative commences a course of action on behalf of a *claimant*. At the same time, the authorized representative should also provide notice of commencement of the action on behalf of the *claimant* to the *claimant*, which the *Plan Manager* may verify with the *claimant* prior to recognizing the authorized representative status.

- In any event, a dental provider with knowledge of a *claimant’s* dental condition acting in connection with an *urgent care claim* will be recognized by the Plan as the *claimant’s* authorized representative.

*Covered persons* should carefully consider whether to designate an authorized representative. An authorized representative may make decisions independent of the *covered person*, such as whether and how to appeal a claim denial.

CLAIMS DECISIONS

After submission of a claim by a claimant, the Plan Manager will notify the claimant within a reasonable time, as follows:

**PRE-SERVICE CLAIMS**

The Plan Manager will notify the claimant of a favorable or adverse determination within a reasonable time appropriate to the dental circumstances, but no later than fifteen (15) days after receipt of the claim by the Plan.

However, this period may be extended by an additional fifteen (15) days, if the Plan Manager determines that the extension is necessary due to matters beyond the control of the Plan. The Plan Manager will notify the affected claimant of the extension before the end of the initial fifteen (15) day period, the circumstances requiring the extension, and the date by which the Plan expects to make a decision.

If the reason for the extension is because of the claimant’s failure to submit information necessary to decide the claim, the notice of extension will describe the required information. The claimant will have at least forty-five (45) days from the date the notice is received to provide the specified information.

**URGENT CARE CLAIMS**

The Plan Manager will determine whether a claim is an urgent care claim. This determination will be made on the basis of information furnished by or on behalf of a claimant. In making this determination, the Plan Manager will exercise its judgment, with deference to the judgment of a dentist with knowledge of the claimant’s condition. Accordingly, the Plan Manager may require a claimant to clarify the dental urgency and circumstances that support the urgent care claim for expedited decision-making.

The Plan Manager will notify the claimant of a favorable or adverse determination as soon as possible, taking into account the dental circumstances particular to the claimant’s situation, but not later than seventy-two (72) hours after receipt of the urgent care claim by the Plan.

However, if a claim is submitted that does not provide sufficient information to determine whether, or to what extent, expenses are covered or payable under the Plan, notice will be provided by the Plan Manager as soon as possible, but not more than twenty-four (24) hours after receipt of the urgent care claim by the Plan. The notice will describe the specific information necessary to complete the claim.

- The claimant will have a reasonable amount of time, taking into account his or her circumstances, to provide the necessary information but not less than forty-eight (48) hours.

- The Plan Manager will notify the claimant of the Plan’s urgent care claim determination as soon as possible, but in no event more than forty-eight (48) hours after the earlier of:
  1. The Plan's receipt of the specified information; or
  2. The end of the period afforded the claimant to provide the specified additional information.
Claims Procedures Continued

**CONCURRENT CARE DECISIONS**

The Plan Manager will notify a claimant of a concurrent care decision that involves a reduction in or termination of benefits that have been pre-authorized. The Plan Manager will provide the notice sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of the adverse determination before the benefit is reduced or terminated.

A request by a claimant to extend a course of treatment beyond the period of time or number of treatments that is a claim involving urgent care will be decided by the Plan Manager as soon as possible, taking into account the dental circumstances. The Plan Manager will notify a claimant of the benefit determination, whether adverse or not within twenty-four (24) hours after receipt of the claim by the Plan, provided that the claim is submitted to the Plan at least twenty-four (24) hours prior to the expiration of the prescribed period of time or number of treatments.

**POST-SERVICE CLAIMS**

The Plan Manager will notify the claimant of a favorable or adverse determination within a reasonable time, but not later than thirty (30) days after receipt of the claim by the Plan.

However, this period may be extended by an additional fifteen (15) days, if the Plan Manager determines that the extension is necessary due to matters beyond the control of the Plan. The Plan Manager will notify the affected claimant of the extension before the end of the initial thirty (30) day period, the circumstances requiring the extension, and the date by which the Plan expects to make a decision.

If the reason for the extension is because of the claimant’s failure to submit information necessary to decide the claim, the notice of extension will describe the required information. The claimant will have at least forty-five (45) days from the date the notice is received to provide the specified information. The Plan Manager will make a decision no later than fifteen (15) days after the earlier of the date on which the information provided by the claimant is received by the Plan or the expiration of the time allowed for submission of the additional information.

**TIMES FOR DECISIONS**

The periods of time for claims decisions presented above begin when a claim is received by the Plan, in accordance with these claims procedures.

**PAYMENT OF CLAIMS**

Many dentists will request an assignment of benefits as a matter of convenience to both dentist and patient. Also as a matter of convenience, the Plan Manager will, in its sole discretion, assume that an assignment of benefits has been made to certain dentists. In those instances, the Plan Manager will make direct payment to the dentist's office, unless the Plan Manager is advised in writing that you have already paid the bill. If you have paid the bill please indicate on the original statement "paid by employee" and send it directly to the Plan Manager. You will receive a written explanation of the benefit determination. The Plan Manager reserves the right to request any information required to determine benefits or process a claim. You or the provider of services will be contacted if additional information is needed to process your claim.
Claims Procedures Continued

When an employee's child is subject to a medical child support order, the Plan Manager will make reimbursement of eligible expenses paid by you, the child, the child's non-employee custodial parent, or legal guardian, to that child or the child's custodial parent, or legal guardian, or as provided in the medical child support order.

Payment of benefits under this Plan will be made in accordance with an assignment of rights for you and your dependents as required under state Medicaid law.

Benefits payable on behalf of you or your covered dependent after death will be paid, at the Plan's option, to your estate.

The Plan Manager will rely upon an affidavit to determine benefit payment, unless it receives written notice of valid claim before payment is made. The affidavit will release the Plan from further liability.

Any payment made by the Plan Manager in good faith will fully discharge it to the extent of such payment.

Payments due under the Plan will be paid upon receipt of written proof of loss.

INITIAL DENIAL NOTICES

Notice of a claim denial (including a partial denial) will be provided to claimants by mail, postage prepaid, by FAX, or by e-mail, as appropriate, within the time frames noted above.

However, notices of adverse decisions involving urgent care claims may be provided to a claimant orally within the time frames noted above for expedited urgent care claim decisions. If oral notice is given, written notification will be provided to the claimant no later than three (3) days after the oral notification.

A claims denial notice will state the specific reason or reasons for the adverse determination, the specific Plan provisions on which the determination is based, and a description of the Plan’s review procedures and associated timeline. The notice will also include a description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary.

The notice will describe the Plan’s review procedures and the time limits applicable to such procedures, including a statement of the claimant’s right to bring a civil action.

The notice will also disclose any internal Plan rule, protocol or similar criterion that was relied on to deny the claim. A copy of the rule, protocol or similar criterion relied upon will be provided to a claimant free of charge upon request.

If the adverse determination is based on dental necessity, experimental, investigational or for research purposes, or similar exclusion or limit, the notice will provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's dental circumstances, or a statement that such explanation will be provided free of charge upon request.
Claims Procedures Continued

In the case of an adverse decision of an urgent care claim, the notice will provide a description of the Plan’s expedited review procedures applicable to such claims.

APPEALS OF ADVERSE DETERMINATIONS

A claimant must appeal an adverse determination within one-hundred-eighty (180) days after receiving written notice of the denial (or partial denial). With the exception of urgent care and concurrent care claims, the Plan uses a two (2) level appeals process for all adverse determinations. The Plan Manager will make the determination on the first level of appeal. If the claimant is dissatisfied with the decision on this first level of appeal, or if the Plan Manager fails to make a decision within the time frame indicated below, the claimant may appeal to the Plan Administrator. Urgent care and concurrent care claims are subject to a single level appeal process only, with the Plan Manager making the determination.

- A first level and second level appeal must be made by a claimant by means of written application, in person, or by mail (postage prepaid), addressed to:

  HumanaDental Claims Office
  P.O. Box 14611
  Lexington, KY 40512-4611

Appeals of denied claims will be conducted promptly, will not defer to the initial determination, and will not be made by the person who made the initial adverse claim determination or a subordinate of that person. The determination will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim.

A claimant may review relevant documents free of charge and may submit issues and comments in writing. In addition, a claimant on appeal may, upon request, discover the identity of dental experts whose advice was obtained on behalf of the Plan in connection with the adverse determination being appealed, as permitted under applicable law.

If the claims denial being appealed was based in whole, or in part, on a dental judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not dentally necessary or appropriate, the person deciding the appeal will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the dental judgment. The consulting health care professional will not be the same person who decided the initial appeal or a subordinate of that person.

**APPEAL DENIAL NOTICES**

Notice of a benefit determination on appeal will be provided to claimants by mail, postage prepaid, by FAX, or by e-mail, as appropriate, within the time frames noted above.

A notice that a claim appeal has been denied will state the specific reason or reasons for the adverse determination and the specific Plan provisions on which the determination is based.

The notice will also disclose any internal Plan rule, protocol or similar criterion that was relied on to deny the claim on appeal. A copy of the rule, protocol or similar criterion relied upon will be provided to a claimant free of charge upon request.

If the adverse determination is based on dental necessity, experimental, investigational or for research purposes or similar exclusion or limit, the notice will provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's dental circumstances, or a statement that such explanation will be provided free of charge upon request.

In the event of a denial of an appealed claim, the claimant on appeal will be entitled to receive upon request and without charge, reasonable access to and copies of any document, record or other information:

1. Relied on in making the determination;
2. Submitted, considered or generated in the course of making the benefit determination;

3. That demonstrates compliance with the administrative processes and safeguards required with respect to such determinations;

4. That constitutes a statement of policy or guidance with respect to the Plan concerning the denied treatment without regard to whether the statement was relied on.

EXHAUSTION

Upon completion of the appeals process under this section, a claimant will have exhausted his or her administrative remedies under the Plan. If the Plan Manager fails to complete a claim determination or appeal within the time limits set forth above, the claimant may treat the claim or appeal as having been denied, and the claimant may proceed to the next level in the review process. After exhaustion, a claimant may pursue any other legal remedies available to him or her, which may include bringing a civil action. Additional information may be available from a local U.S. Department of Labor Office.

Urgent care claim means a claim for dental care or treatment with respect to which the application of the time periods for making non-urgent care determinations:

• In the opinion of a dentist with knowledge of the claimant’s dental condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

• Generally, whether a claim is a claim involving urgent care will be determined by the Plan Manager. However, any claim that a dentist with knowledge of a claimant's dental condition determines is a “claim involving urgent care” will be treated as a “claim involving urgent care.”

You and your means you as the employee and any of your eligible covered dependents, unless otherwise indicated.
