HEALTH BENEFITS COVERAGE UNDER FEDERAL LAW

Choice of Primary Care Physician
The Plan generally allows the designation of a Primary Care Physician (PCP). You have the right to designate any PCP who participates in the Claims Administrator’s Network and who is available to accept You or Your family members. For information on how to select a PCP, and for a list of PCPs, contact the telephone number on the back of Your Identification Card or refer to the Claims Administrator’s website, www.anthem.com. For children, You may designate a pediatrician as the PCP.

Access to Obstetrical and Gynecological (ObGyn) Care
You do not need Prior Authorization from the Plan or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in the Claims Administrator’s network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Prior Authorization for certain services or following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the telephone number on the back of Your Identification Card or refer to the Claims Administrator’s website, www.anthem.com.

Statement of Rights Under the Newborns’ and Mother’s Health Protection Act
Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider (e.g., Your Physician, nurse midwife, or Physician assistant), after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain Precertification. For information on Precertification, contact Your Plan Administrator.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

Statement of Rights Under the Women’s Cancer Rights Act of 1998
If You have had or are going to have a mastectomy, You may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:
• All stages of reconstruction of the breast on which the mastectomy was performed;
• Surgery and reconstruction of the other breast to produce a symmetrical appearance;
• Prostheses; and
• Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Deductibles and Coinsurance applicable to other medical and surgical benefits provided under this Plan. See the Schedule of Benefits.

If You would like more information on WHCRA benefits, call Your Plan Administrator.

Coverage for a Child Due to a Qualified Medical Support Order (“QMCSO”)
If You or Your Spouse are required, due to a QMCSO, to provide coverage for Your child(ren), You may ask Your employer or Plan Administrator to provide You, without charge, a written statement outlining the procedures for getting coverage for such child(ren).
Mental Health Parity and Addiction Equity Act
The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance abuse benefits with day/visit limits on medical/surgical benefits. In general, group health plans offering mental health and substance abuse benefits cannot set day/visit limits on mental health or substance abuse benefits that are lower than any such day/visit limits for medical and surgical benefits. A plan that does not impose day/visit limits on medical and surgical benefits may not impose such day/visit limits on mental health and substance abuse benefits offered under the Plan. Also, the Plan may not impose Deductibles and/or Coinsurance and out of pocket expenses on mental health and substance abuse benefits that are more restrictive than Deductibles and/or Coinsurance and out of pocket expenses applicable to other medical and surgical benefits.

Special Enrollment Notice
If You are declining enrollment for Yourself or Your Dependents (including Your Spouse) because of other health insurance coverage, You may in the future be able to enroll Yourself or Your Dependents in this Plan, if You or Your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards Your or Your Dependents’ other coverage). However, You must request enrollment within 31 days after Your or Your Dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if You have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, You may be able to enroll Yourself and Your Dependents. However, You must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligible Employees and Dependents may also enroll under two additional circumstances:
• the Employee’s or Dependent’s Medicaid or Children’s Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
• the Employee or Dependent becomes eligible for a subsidy (state premium assistance program).

The Employee or Dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination.

To request special enrollment or obtain more information, call the Customer Service telephone number on Your ID Card, or contact Your Plan Administrator.
