CLAIM INFORMATION
LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

The claim form is available from your Employer, or you can request a claim form from us. If you do not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE A CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- that you are under the regular care of a physician;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital or institution where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.
WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.
GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your waiting period.

WHEN DOES YOUR COVERAGE BEGIN?

This plan provides different benefit options. When you first become eligible for coverage, you may apply for any option, however, you cannot be covered under more than one option at a time.

You and your Employer share the cost of your coverage for any option. If you don’t apply for an option, you will automatically be covered under the lowest level of coverage available for your group at 12:01 a.m. on the date you are eligible for coverage, if you apply for insurance on or before that date.

If you first become eligible for coverage after the plan effective date, you will be covered at 12:01 a.m. on the later of:

- the date you are eligible for coverage, if you apply for insurance on or before that date; or
- the date you apply for insurance, if you apply within 31 days after your eligibility date.

WHEN CAN YOU CHANGE YOUR COVERAGE BY CHOOSING ANOTHER OPTION?

You can change your coverage by applying for a different option only during an annual enrollment period. You can increase your coverage by one level or decrease your coverage any number of levels.

Unum and your Employer determine when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the first day of the next plan year.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to active employment.
ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary layoff, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on an academic/sabbatical leave of absence, and if premium is paid, you will be covered for up to 12 months following the date your academic/sabbatical leave of absence begins.

If you are on a professional leave of absence, and if premium is paid, you will be covered for up to 12 months following the date your professional leave of absence begins.

If you are on an administrative leave of absence, and if premium is paid, you will be covered for up to 6 months following the date your administrative leave of absence begins.

If you are on a child rearing leave of absence, and if premium is paid, you will be covered for up to 6 months following the date your special leave of absence begins.

If you are on a special leave of absence, and if premium is paid, you will be covered for up to 6 months following the date your special leave of absence begins.

If you are on a union leave of absence, and if premium is paid, you will be covered for up to 6 months following the date your union leave of absence begins.

If you are on any other leave of absence, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage due to a change in your monthly earnings or due to a plan change requested by your Employer will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

**WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?**

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

**HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?**

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

**HOW WILL UNUM HANDLE INSURANCE FRAUD?**

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

**DOES THE POLICY REPLACE OR AFFECT ANY WORKERS’ COMPENSATION OR STATE DISABILITY INSURANCE?**

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.
**DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM’S AGENT?**

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.
LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
- you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury.

After 12 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your elimination period. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is 4 months.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes, provided you meet the definition of disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 65%.
2. The maximum monthly benefit is $25,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your gross disability payment.
WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, shift differential or any other extra compensation, or income received from sources other than your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly disability earnings, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are 20% or more of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

**For Amounts Up To And Including $4,000 Only:**

While working, we will subtract 50% of your disability earnings from your monthly payment.

This is the amount that Unum will pay you each month.

**For Amounts Above $4,000:**

While working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

**For All Amounts:**

During the first 12 months of disability payments, if your monthly disability earnings exceed 80% of your indexed monthly earnings, Unum will stop sending you payments and your claim will end.
Beyond 12 months of disability payments, if your monthly disability earnings exceed 60% of your indexed monthly earnings, Unum will stop sending you payments and your claim will end.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

**HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?**

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless:

- During the first 12 months of disability payments, the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings; or
- Beyond 12 months of disability payments, the average of your disability earnings from the last 3 months exceeds 60% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed the amount allowable under the plan.

**WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?**

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans
HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the maximum period of payment. Your maximum period of payment is based on your age at disability as follows:

<table>
<thead>
<tr>
<th>Age at Disability</th>
<th>Maximum Period of Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than age 60</td>
<td>To age 65, but not less than 5 years</td>
</tr>
<tr>
<td>Age 60 through 64</td>
<td>5 years</td>
</tr>
<tr>
<td>Age 65 through 69</td>
<td>To age 70, but not less than 1 year</td>
</tr>
<tr>
<td>Age 70 and over</td>
<td>1 year</td>
</tr>
</tbody>
</table>

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 12 months of payments, when you are able to work in your regular occupation on a part-time basis but you choose not to;
- after 12 months of payments, when you are able to work in any gainful occupation on a part-time basis but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan;
- the date you fail to submit proof of continuing disability;
- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?

Disabilities, due to sickness or injury, which are primarily based on self-reported symptoms, and disabilities due to mental illness have a limited pay period up to 24 months.

Unum will continue to send you payments beyond the 24 month period if you meet one or both of these conditions:

1. If you are confined to a hospital or institution at the end of the 24 month period, Unum will continue to send you payments during your confinement.
   
   If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.
   
   If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. In addition to Item 1, if, after the 24 month period for which you have received payments, you continue to be disabled and subsequently become confined to a hospital or institution for at least 14 days in a row, Unum will send payments during the length of the reconfinement.

Unum will not pay beyond the limited pay period as indicated above, or the maximum period of payment, whichever occurs first.
Unum will not apply the mental illness limitation to dementia if it is a result of:
- stroke;
- trauma;
- viral infection;
- Alzheimer’s disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

**WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted under state or federal law.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

**WHAT IS A PRE-EXISTING CONDITION?**

You have a pre-existing condition when you apply for coverage when you first become eligible if:
- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 12 months just prior to your effective date of coverage; or you had symptoms for which an ordinarily prudent person would have consulted a health care provider in the 12 months just prior to your effective date of coverage; and
- the disability begins in the first 24 months after your effective date of coverage unless you have been treatment free for 12 consecutive months after your effective date of coverage.

In addition, this plan will not cover an increase in your coverage made at an annual enrollment period if you have a pre-existing condition. You have a pre-existing condition if:
- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 12 months just prior to the date your coverage increased; or you had symptoms for which an ordinarily prudent person would have consulted a health care provider in the 12 months just prior to the date your coverage increased; and
- the disability begins in the first 24 months after your coverage increased unless you have been treatment free for 12 months after the date your coverage increased.
**ARE INCREASES IN COVERAGE SUBJECT TO A PRE-EXISTING CONDITION?**

Your plan will not provide a maximum monthly benefit in excess of $20,000 which becomes effective on March 1, 2017 for any disability caused by, contributed to by, or resulting from the following pre-existing condition.

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 6 months just prior to March 1, 2017; or you had symptoms for which an ordinarily prudent person would have consulted a health care provider in the 6 months just prior to March 1, 2017; and
- the disability begins in the first 12 months after March 1, 2017.

**WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?**

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months of the end of your prior claim.

Your recurrent disability will be subject to the same terms of this plan as your prior claim.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.

Unum may send a payment if your disability results from a pre-existing condition if, you were:

One of our designated professionals will assist you and your Employer to identify a modification we agree is likely to help you remain at work or return to work. APPLICABILITY OF ERISA

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;

- a reference to the specific Plan provision(s) on which the determination is based;

- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;

- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and

- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.
Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, if they are insured under a group insurance contract, issued by a member insurer, or if they are the payee or beneficiary of a
structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of $300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than $100,000 in cash surrender values, $500,000 in major medical insurance benefits, $300,000 in disability or long-term care insurance benefits, $100,000 in other health insurance benefits, $250,000 in present value of annuities, or $300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages the association will pay a maximum of $300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is $500,000.

Note to benefit plan trustees or other holders of unallocated annuities (G/Cs, DA Cs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sec. 401, 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual, except as noted above. For covered unallocated annuities that fund other plans, a special limit of $1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
