Generations at Work

In today's competitive workforce, there are 4 distinct generations working alongside each other – all with their own bias and preferences for working which often leads to miscommunication and other workplace conflicts.

What are the “do’s and don'ts” associated with each generation to maximize results and enhance workplace relationships?

Learn about each generation’s (Veterans, Baby Boomers, Generation X and Millennials) common experiences, traits and preferred communication styles.

Tuesday, March 13th
1 - 2:30 PM
Langsam Library Room 462
All are welcome!

Presented by Mona Fitzer, M.Ed., PCC
with Impact Solutions, UC’s Employee Assistance Plan Provider

All eligible employees will earn 10 Be Well UC points!
Points will be visible in attendees’ portal accounts the first week of April.
