The University of Cincinnati is committed to employing students to assist in meeting the needs of the university, and to providing students with financial support and academic or administrative experience while pursuing their academic goals. This policy addresses student recruitment, selection, compensation and other terms of student employment. All student records referred to in this policy are governed by the Family Educational Rights and Privacy Act (FERPA), and, as such, disclosure of such records is restricted.

Policy

The job duties and responsibilities of student employees vary greatly, and may or may not be related to their field of study.

6. Annual merit or across-the-board salary increases for student employees may be given to reflect the student’s grade level, i.e., 2nd year, 3rd year, or may be based on the student being given new, additional or more complex responsibilities. Students must have an acceptable performance record and have the ability to
perform the assigned duties. Any exceptions must be approved by the Compensation Department.

is at the regular hourly rate. An opportunity should be offered to take an alternate
day-off without pay within the pay period in which the holiday is observed.

1. Membership in the Ohio Public Employees Retirement System (OPERS) is optional for Student Workers and Work Study Students enrolled on at least a half-time basis at a qualifying institution. OPERS membership is mandatory for co-op students and student employees enrolled on less than a half-time basis in any quarter. OPERS membership requires a tax-deferred payroll deduction. These deductions are remitted to OPERS for the purpose of accumulating service credit toward future retirement benefits.

2. Student employees may request exemption from OPERS membership by completing an OPERS Request for Optional Exemption. The form must be completed and submitted to Human Resources within 30 days of covered employment. OPERS exemption requests will be honored for the duration of a student's employment status unless enrollment drops to less than a half-time basis. In such cases, OPERS deductions will be withheld until sufficient credit hours are added in subsequent term(s). Co-op students are not eligible for the option exemption from OPERS.

3. Upon termination of employment, student employees who participate in OPERS can either leave their accumulated contributions on deposit to qualify for future retirement benefits, or request a refund of their accumulated contributions and will be issued by OPERS. Refunds from OPERS are subject to federal and state income tax withholding, and reporting by OPERS is taxable income on IRS Form 1099R.

H. Jury Duty

Time used by a student in the performance of jury duty, or when summoned as a witness, shall be treated as an excused absence without pay.

I. Termination
A student employee is an at-will employee and may be terminated with or without cause, unless there is an explicit written contract between the student employee and the university that provides otherwise.

J. Military Duty

Due to the temporary nature of student employment, if the position is abolished during the student’s absence, then no obligation exists.
