REQUEST FOR SEVERE ECONOMIC HARDSHIP EMPLOYMENT AUTHORIZATION

Severe economic hardship employment was established to provide students who have experienced a legitimate and unforeseen economic hardship since obtaining F-1 status the opportunity to obtain employment authorization. Just what constitutes a legitimate and unforeseen economic hardship is debatable. Some examples would include: loss of on-campus employment; unexpected loss of a scholarship; serious currency devaluation when the funds come from abroad; excessive tuition and fee increases; medical bills; burglary or robbery (with a police report); substantial increases in living costs; disruption of a sponsor’s income; death of a sponsor, etc.

You will need to document to UC International Services your “severe” and “unforeseen” economic hardship. If determined the circumstances to be a severe and unforeseen we will recommend to the DHS approval of your application for a work permit. If granted, the work permit is valid for part-time employment (20 hours a week or less while school is in session) and full time during scheduled breaks. Our recommendation does not guarantee approval of your application. Please complete this form and bring all required documents listed to UC International Services for evaluation if you believe you have a severe and unforeseen economic hardship. You should call 556-4278 to schedule an appointment once all required documents are compiled.
