Please read thoroughly, complete the form, and present to your recommender. Please keep the following in mind:

- **This waiver form must accompany each letter of recommendation received by the PPAC.** You should provide it to the letter writer, and your letter writer should submit it to the PPAC *with the letter of recommendation*.

- Letters of recommendation will remain confidential and will only be shared with medical school admissions committees based on your permission via the Letter of Recommendation Packet Submission Form. All letters and associated documents will be shredded by the PPAC after 5 years.

In compliance with federal law Family Education Rights and Privacy Act (FERPA), you have the right to review all university files and documents concerning you, including reference materials written about you. You are not required to waive your right to view letters of recommendation in order to use the services of the Pre-Professional Advising Center (PPAC). However, keep in mind that evaluative/reference materials may carry more weight if programs know that you have waived access to the materials.
