Browsing the Course Catalog

This guide will cover:

- Navigating to the Search tab in the Advisor Center
- Viewing the course catalog

**Step One**

Navigate to the following breadcrumb:

![Breadcrumb Image]

**Step Two**

Select the **Search** tab in the Advisor Center then select the **browse course catalog** tab to view information specific to a course at the University of Cincinnati.

![Advisor Center Tabbed Image]

**Step Three**

Once you have located a course in the catalog, click on the hyperlink to view information about the course.
**Step Four**

Upon selecting the course, you will be able view the course’s information such as units, career and description.

**IMPORTANT:** If a course is offered by more than one college you will need to select the Academic Group for the course before viewing any class details.

**NOTE:** If the course has been scheduled, you will be able to see that information detailed on the page.
