Welcome and Administrative Matters – Judge John West, Chairman and Dr. Robin S. Engel, VP for Safety & Reform

- Judge West provided welcome.
  - Judge West noted that Dr. Mel Otten’s one-year term as the faculty representative to the CAC has expired. The new faculty representative selected by the Faculty Senate is Dr. Ken Davis.
  - Judge West met with President Pinto regarding the future of the CAC. Judge West would like to consider the role, scope, and organizational structure of the CAC moving forward, with an emphasis toward insure compliance. An in-depth discussion regarding the future of the CAC will be addressed in subsequent meetings.
  - Judge West asked the members to let him know their willingness to extend their commitment to the CAC, as the original agreement was to serve for two years. He will also seek input regarding the role and structure of the group.
  - It will also be important to consider the CAC positions that rotate annually, such as the Student Body President, Faculty, etc.

- Dr. Robin Engel provided an update on the Board of Trustees Audit and Risk Management Committee Meeting.
  - Dr. Engel and Jeff Schlanger met with the Board of Trustees subcommittee earlier in the day. She noted she is especially proud that within one year of external monitorship, the UCPD is in full compliance of 66% of the 276 Exiger recommendations.
  - She thanked everyone for their work and progress with the reform efforts.
Monitorship Update - Jeff Schlanger with Exiger

- Jeff Schlanger began with a news update regarding the Department of Justice withdrawing mandatory monitorships of police departments. This means that voluntary monitorship will be all the more important in the field of law enforcement. The City of San Francisco has recently decided to voluntarily place itself under monitorship.
- He stressed that the work at UCPD is meaningful nationally. We are creating the model for voluntary police reform.
- He noted that each CAC member received a copy of the biannual report executive summary that was submitted by Exiger. The full report is 300+ pages and is posted on the Public Safety website.
- He thanks his team and Jennifer Cherkauskas for their work with this effort.
- Provided Year 1 Summary (four quarters of monitorship)
  - Initial Assessment of 191 (69%) of the 276 Exiger Recommendations (ER) in the first year
  - 181 (66%) of 276 in Substantial Compliance
  - 10 (4%) of 276 ERs in Partial Compliance
  - 101 (37%) of 276 ERs require No Further Evaluation
  - 236 Total Assessments occurred (45 ERs were assessed more than once)
  - 42 ERs, to include 17 initial assessments, are currently being evaluated in Q5
  - In second half of monitorship, Exiger will start assessing progress with all recommendations. Including those where UCPD has not yet indicated they are ready to assess.
- Some items of note:
  - No officer-initiated off-campus traffic stops since April 2017.
  - No Uses of Force since January 2017.
