WHY ISN'T IT IMPORTANT to not Judge A Book By Its Cover?

By Syd Bennett

GOD

Because what is inside the book is what really matters.

CONNECTIONS

Because All Books are different.

You can't judge a book by it's cover.

Judge Not. lest ye be judged!

You never know what you could never know what's on the inside.

Because people don't carry their story.

What's on the inside matters.

I'm not actually a happy person

Because It Matters!
