Member Services coordinates activation of parking privileges for community, affiliate, and alumni members. A member's primary affiliation with the university determines the member's parking privileges.

There are two parking areas available for member parking; one located on the Uptown West Campus and one on the Uptown East Campus. Permits (hang tags) will be issued and must be placed on the rear view mirror with the facility name facing outward. If the permit does not fit on the rear view mirror, it must be fully displayed on the driver's side of the dashboard. Any parking tickets received as a result of improperly displayed permits will not be reimbursed.

Uptown West Campus
Members may park in the University Avenue Lot by entering on the west side in the middle of the bottom level (Level 1).

Uptown East Campus
Members may park in Lot 13. From Martin Luther King Drive, turn onto Eden Avenue, make the first left onto Goodman Avenue, followed by the first right toward Eden Garage. From Vine, turn onto Goodman Avenue, make a left toward Eden Garage. The lot is just beyond Eden Garage.

Lost Permits
Parking permits that are lost will not be replaced. A new permit will need to be purchased.

Cancelled Memberships
Members who cancel before the parking permit expires are required to return the permit to Campus Recreation. This can be done by taking the permit to a drop box located on the north side of University Avenue Garage, Level 1 (gated entrance) or the west side of Eden Garage (gated entrance). Individuals who do not return the permit will be charged the outstanding balance. If the permit is returned after the balance is charged, a refund will be issued from the day it is returned through the expiration date.
