**UC Student Affairs Five Questions Program Planning Tool**

Name of Program or Service:  

**1. What are we going to do/ are we doing?** (Include basic descriptions, demographics, timelines, etc.)

**2. How will we measure operational/programmatic success in delivery?** (How will we know how well we are doing it?)

**3. Why are we doing it?** (What drives this office to provide this?)

**4. How should students be different as a result of this?**

**5. How will we measure the student impact?**
