ENCOURAGE THE HEART AWARD

Eligible staff: Staff who serve in a formal supervisory capacity

This award goes to an individual whose leadership has directly impacted divisional/departmental development by enhancing the mission/purpose of both the office and the student experience. It is designed to acknowledge the leadership/guidance of a supervisor who invigorates their staff or members of the Division at large to directly contribute to better serve the UC community.

Criteria

1. Leadership and management style contributing to the office/department or division goals or mission

2. Measurable changes/accomplishments your office or department has achieved as a result of the nominee’s leadership (e.g. budget, programs, initiatives, etc.)

3. Track record for accepting responsibility at all levels (administrative, support, customer service, etc.)

4. Established rapport with team members

5. Professional demeanor

6. Collaborative, positive attitude

7. Invested in their role and in the mission of Student Affairs and the University to make UC a top tier university
