DIVISION OF STUDENT AFFAIRS

VICE PRESIDENT’S AWARD FOR DISTINGUISHED LEADERSHIP

Eligible staff: All

This award honors an individual or group of individuals whose innovative ideas, programming, products, or services will create significant change for students, the Division of Student Affairs, or the University. This award strives to celebrate innovation in action, not only the creative idea, but also the impact that practical application of the idea has made or creativity in the use of resources, which includes people, budgets, and/or technology. Any individual or group of individuals who has demonstrated the ability to take initiative in developing a new or enhancing an existing product, program, or service to meet the changing needs of the students, Division, or University may be nominated.
