3361:50-93-14 University of Cincinnati Raymond Walters college: requirements for graduation.

To qualify for the degree a student must fulfill the requirements of the program from which the student expects to graduate and must have at least a 2.0 cumulative quality point average. It is the student's responsibility to take the courses necessary for graduation. A student who has completed freshman requirements in the university of Cincinnati Raymond Walters college may take no more than nine sophomore credits in another college. Such credits and courses must have the approval of the assistant dean before they are taken. A transfer student must take at least one-half of the required credits in a selected program in the university of Cincinnati Raymond Walters college to be eligible for graduation. A student who changes programs or extends work beyond the normal two years must meet the published requirements of the program in the year of expected graduation. Application for the diploma must be made in the college office before the designated deadline date.
