SPSS 19.0 for Windows

Single User Workstation Installation Instructions

System Requirements
Operating system: Microsoft Windows XP (Professional, 32-bit) or Vista (Home, Business, 32- or 64-bit), Windows 7 (32- or 64-bit)

SPSS 19.0 for Windows Licensing Information
The Single User Authorization Code can be used to install SPSS on one computer. Licenses are tied to your computer with a lock code. If you replace your computer or hardware, you will need a new Authorization Code. The license is sensitive to time changes.

Before You Start
Please make sure the following is available before you start the installation process.

1) The SPSS CD.
3) Internet connection for licensing SPSS.

Installation Instructions
1. Insert the CD in your CD drive. At AutoPlay click ‘Open folder to view files’.
2. Double click setup.exe.
3. Click Next at Introduction.

4. Select Single user license, and click Next.

5. Accept the license agreement, and click Next.
6. Enter your name for User Name, and University of Cincinnati for Organization, then click Next.

7. Select Destination folder and Click Next.

8. Click Install.
9. Optionally, click to register the product. Then, click OK.

10. Select ‘license my product now’ and click Next.

11. Enter your SPSS 19 Single User Authorization code, and then click Next.
12. Click Next.

13. Click Finish.
