

International Summer Campus: Korea University

Description: July 2 – August 14

Korea's got Seoul... one of UC's newest and most exciting exchange locations! The Korean peninsula lies between China and Japan and is a beautiful country with lush vegetation, mountains, cities and a wealth of cultural sites. Korea is a stable democratic republic ranking 11th in the world in terms of International Trade. The capital Seoul is a vibrant political, cultural, commercial, financial, education and recreational center offering rich tourist attractions and events. Korea University is one of Korea's oldest and most prestigious Universities.

Spend 6 weeks at KU's International Summer Campus (ISC) and get the experience of a lifetime!

- Over 50 classes offered in English in the fields of humanities, economics, business, political science, international relations, sociology, cultural studies and Korean language.
