Description:

Go back in time and immerse yourself in the lost civilization of the Aztecs. Visit archeological sites; then fast-forward centuries and walk through the well-preserved colonial center of Querétaro, designated a World Cultural Heritage site by the United Nations. In the University of Cincinnati Summer Program in Querétaro, you will spend six weeks traveling, studying and learning about Mexico. The home-stay experience allows you not only to learn about the culture, but also to live it. Located in central Mexico, Querétaro provides easy access to many other interesting places. Visit Mexico City, 125 miles to the south, Guadalajara, 220 miles to the west, or quaint San Miguel de Allende, only an hour away. On the ITESM Campus Querétaro you will enjoy a host of extra-curricular activities, tied to the curriculum, including theater, field trips and service learning. Enhance your course work with workshops on music, art, creative writing, dance, cuisine, and more. The program includes field trips to Mexico City and the pyramids at Teotihuacán, and the colonial city of Guanajuato

ITESM Campus Querétaro boasts an excellent sports program. Take a break from studying to enjoy the sports facilities, which include aerobics, weigh-lifting, volleyball, tennis, basketball, football and soccer, swimming, track & field. Or, chat with friends at the sidewalk cafes and restaurants where you enjoy real Mexican food. The campus is configured for wireless internet access in addition to fully equipped computer facilities.
