Foreword

To promote the success of our Panhellenic community, we commit to recruiting quality women through a values-based process, with an emphasis on authenticity and transparency. In this effort, we have designed this manual to outline rules and policies governing Panhellenic recruitment at the University of Cincinnati. These policies will foster and facilitate a positive Panhellenic recruitment experience, and apply to all women participating in recruitment, whether they are potential members, active members, or alumnae.

Although we believe this manual to be comprehensive and complete, if problems should develop which are not covered in this manual, you should refer to the National Panhellenic Conference Manual of Information or contact the current Panhellenic President, Vice President of Recruitment, or Panhellenic Advisor. In all cases, these situations should be handled with the best interests of the Panhellenic community in mind.

Section 1: Panhellenic Council Code of Ethics

We, the members of women’s sororities at The University of Cincinnati, agree to promote honesty, respect, sisterhood and cooperation within the College Panhellenic and our respective chapters and in our daily lives. This code of ethics is designed to inspire our members, reinforce exemplary conduct and values-based leadership, and perpetuate lifelong membership to enrich the sorority and Panhellenic experience.

We, as Panhellenic women of The University of Cincinnati, agree on and commit to:

1. Uphold and demonstrate the Panhellenic spirit in thought, word and action through our chapters as well as individual members.
   a. Avoid disparaging remarks about any sorority or collegiate woman, and refrain from discussing Panhellenic matters with non-members in any capacity.
   b. Recognize friendly relations with all collegiate women, both sorority members and nonmembers, realizing the importance of building friendships.

2. Demonstrate ethical behavior and conduct ourselves in a manner consistent with the mission and values of the College Panhellenic, each inter/national organization, and our university.
   a. Respectfully adhere to the bylaws and recruitment rules of the University of Cincinnati Panhellenic Council.

3. Respectfully adhere to the Unanimous Agreements and all policies established by the National Panhellenic Conference.
   a. Provide a safe, positive and enriching recruitment experience; understanding that membership is arrived at by mutual selection.
   b. Refrain from limiting a potential new member’s chances of becoming a member of the Panhellenic community by encouraging her to make a single intentional preference or to limit her choices.

4. Plan recruitment events that provide opportunities for the greatest possible number of women to become sorority members while protecting the rights and privileges of individuals and the chapters.
   a. Strive to be truthful, honorable, open and friendly to all potential new members during all recruitment events.
   b. Be respectful of the rights of every potential new member to make her own choices, including the right not to join the women’s sorority community.

5. Hold one another accountable to these standards, remembering at all times that we represent not only our individual chapters but also the Panhellenic community as a whole.
Section 2: Total, Quota, Release Figures Methodology

1. Total is currently 151 *(revised 1/15/16)*
2. Total is defined as: the allowable chapter size as determined by CPH and includes both new members and initiated members. The CPH reviews total each year to ensure that total reflects current campus conditions and the CPH goal of growth and parity. Total should be reviewed according to NPC policy.
3. Per NPC legislation, total must be adjusted during each academic term.
   a. The College Panhellenic Council, with the advisement of the Panhellenic Advisor, and Area NPC Advisor, will automatically reset total 72 hours following the primary recruitment period, utilizing the median chapter size (MCS).
   b. For any academic term without primary recruitment, total will be automatically reset, no later than 5 days into the term, based on the median chapter size.
      i. COB cannot occur (or be advertised) until total has been reset.
4. Quota is defined as: the number of women each fraternity may pledge during formal recruitment. Quota will be set after the final round of formal recruitment by mutual agreement of the CPH Advisor and either the RFM Specialist of NPC Area Advisor.
   a. Chapters that do not meet quota can participate in “snap-bidding.”
      i. Snap-bidding is defined as: an option available to chapters that did not fill quota. Chapters may offer bids to PNMs whose preferences were not matched, or who withdrew from recruitment. Chapters do not offer snap bids directly to PNMs; they notify the Panhellenic advisor during bid matching which PNMs they would like to snap bid and these bids are distributed with the regular Bid Day bid distribution. This process takes place before bids are distributed. Snap bidding is not intended to fill spaces in a chapter’s total and is limited to any woman who participated in the current formal recruitment.
5. Release Figures Methodology (RFM)
   a. UC CPH utilizes RFM to support the following:
      i. To enable each sorority to invite a sufficient number of PNMs to each event in order to attain quota at the conclusion of recruitment.
      ii. To allow each PNM to methodically investigate available options and ultimately to match with a sorority for which she has a preference.
      iii. To maximize the number of PNMs that ultimately affiliates with a sorority.
   b. Submittal of flex lists will be determined the CPH Advisor and RFM Specialist.
   c. COB shall begin immediately after bids have been distributed and shall continue until chapters reach total.
   d. Women whose bids do not match in the normal course of bid matching, and who did not single intentionally preference, will be placed through quota additions.
      i. The woman will be matched to the sorority listed on her MRABA that is the smallest in chapter size, as long as her name appears on that chapter’s preferential bid list, and that matching her will not exceed quota by more than 5%.
      ii. Quota Additions do not raise or increase the number of quota, and this process is used only during the bid matching process itself. Quota additions do not create quota vacancies under any circumstances. Quota additions are never involved in COB.
Section 3: Formal Recruitment Rules

The purpose of COB is to enable those chapters that did not pledge to quote or pledge to quote but did not reach total, to pledge additional new members immediately following the primary recruitment period.       vi. Fraternity/sorority advisor

2. Receipt of Infraction

      i. The College Panhellenic Violation Report is retained by the College Panhellenic president or fraternity/sorority advisor and is available upon request by the accused sorority.
      ii. The College Panhellenic president or fraternity/sorority advisor shall send a copy of the College Panhellenic Violation Report to the NPC area advisor within seven days.

3. Violation of these recruitment rules will be handled the same as any violation of the University of Cincinnati Panhellenic Council rules and NPC Unanimous Agreements. Chapters shall be held accountable for the conduct of their individual collegiate and alumnae members.
   a. Members are encouraged to resolve alleged violations through informal discussion with the involved parties.
   b. If informal discussions are unsuccessful, the judicial process will be set in motion by filing a report of the alleged violation.
   c. The violation must be reported within 30 days of alleged recruitment infraction and submitted to the CPH or fraternity/sorority advisor. Within one week of receiving a violation report, the CPH or fraternity/sorority advisor must issue a notice of infraction to the accused sorority and recommend mediation or judicial board hearing.
   d. It must be emphasized that recruitment infractions and responses should be concerned with violations of the NPC’s Unanimous Agreements, not small things like PNMs leaving a recruitment event with a paper cup, or chapter’s starting a recruitment event 30 seconds early, and assessing $5 fines. However, chapters are expected to follow formal recruitment guidelines (theme, timing, dress, food and beverage, space, and activities), and if a chapter is warned and continues to not follow the guidelines, a violation report and notice of infraction will be issued.
   e. Refer to the NPC Manual of Information and Unanimous Agreements for further clarification of recruitment rules (if these are not clear enough).

4. Violations committed by Rho Gammas can result in their termination, as well as judicial proceedings for their chapter of affiliation.
