**Star Wars in Concert**

**Friday, December 11, 2009 @ 7:30 PM**

This amazing production features an orchestra playing live scores that allow excerpts from the six award winning Star Wars films to come alive on a film screen - the largest screen of any tour today. Fans will also have the opportunity to view *in person* original models, props and costumes from the beloved Star Wars series. This is a must see show for people of all ages! Don't miss this opportunity for an out of this world Star Wars experience.
