

Why are we celebrating?

Because you're here.

All 36,000 of you.

# More students are choosing UC than ever before.

Why? Because they like going to a school where the real world is close at hand. Because they like resume-building opportunities like co-op, undergraduate research projects, and unlimited community service connections. Because they like living and studying on a dynamite urban campus—and because they *love* the Bearcats!

Tomorrow, UC welcomes more than **6,600** new freshmen and transfer students. They're in terrific company.

You can find a complete list of this year's scholarship winners, information on applying to UC, and much more at [www.uc.edu](http://www.uc.edu).
