

Mathematica 6.0.3 Order Form - Fiscal Year 2009-2010

UCit maintains a site license with Wolfram, Inc. for the distribution of Mathematica to UC faculty and staff. The site license allows installation of the software on your office computer and home computer. A department may purchase a single CDROM for all its installations. The license will expire June 1, 2010 (grace period until July 1, 2010).

Unauthorized duplication, distribution or use of Wolfram Research Inc. software or license codes violates applicable laws.

You will be added to the [UC-MMA-ANNOUNCE](#) mailing list.

The CDROM will be sent via campus mail, and license codes sent via email, to the Person Installing Software, unless one is not listed. In that case, they will be sent to the User Requesting Software.
