

**SPSS 17.0 for Macintosh Order Form**

UC faculty and staff may purchase a SPSS license and CDROM set. The purchase of one license allows installation of the software on one office computer. A department may purchase a single CDROM set for all its installations; but must purchase a license for each installation.

Unauthorized duplication, distribution or use of SPSS software or license codes violates applicable laws. The SPSS 17.0 for Macintosh license will expire March 29, 2010 (grace period until May 1, 2010).

The CDROM will be sent via campus mail, and license codes sent via email, to the Person Installing Software, unless one is not listed. In that case, they will be sent to the User Requesting Software.

You will be added to the [UC-SPSS-ANNOUNCE](#) mailing list.
