Cincinnati’s Architectural Treasures
What would you consider to be the most fascinating and noteworthy buildings in Cincinnati? Why not come on this Frank Farmer Loomis excursion and find out what his picks are — and why! You will discover some of these together in the classroom. Meet in a treasure of a building — the French Renaissance style Walnut Hills Library; then on to lunch at the historic Rookwood Restaurant (former pottery studio), overlooking the city. Then, proceed downtown together to visit a few more sites in person. Who knows — you might find yourself in the old Shillito’s department store atrium! Tales will be told and you’ll find a new way of looking at some of our city’s older architectural treasures.

Weight Loss Hypnosis

Our focus is weight loss; however, with hypnosis, there is no “diet.” The premise is that over-eating is a habit and hypnosis can stop the habit. Begin by identifying the stressors in your life and be hypnotized to reduce stress. The next week, explore what habits control eating and be hypnotized to change those habits. Finally, discuss ways to make exercise a safe, healthy and enjoyable part of your day. A third hypnosis helps instill the desire to incorporate exercise as part of your life. Change your life as you experience hypnosis as a tool to reduce stress and change eating and exercise habits.
