SPSS 20 for Windows

Single User Workstation Installation Instructions

System Requirements
Operating system: Microsoft Windows XP (Professional, 32-bit) or Vista (Home, Business, 32- or 64-bit), Windows 7 (32- or 64-bit)

SPSS 20 for Windows Licensing Information
The Single User Authorization Code can be used to install SPSS on one computer. Licenses are tied to your computer with a lock code. If you replace your computer or hardware, you will need a new Authorization Code. The license is sensitive to time changes.

Before You Start
Please make sure the following is available before you start the installation process.

1) The SPSS 20 DVD.
3) Internet connection for licensing SPSS.

Installation Instructions
1. Insert the DVD in your DVD drive. At AutoPlay click ‘Open folder to view files’.
   On Windows Vista or Windows 7 you must run the AutoPlay as administrator.
