Posted by [Travis Estell](#) — October 23, 2015

On the 57th episode of [The UrbanCincy Podcast](#), we bring you our recording of the [Cincinnati Parks Levy Community Forum](#) held earlier this week at the Niehoff Urban Studio.

The forum featured Cincinnati Mayor John Cranley and Save Our Parks member Don Mooney, making their case for and against Issue 22, respectively.

We'd like to remind our readers and listeners that Election Day is Tuesday, November 3, 2015. Cincinnati residents can visit the [Hamilton County Board of Elections website](#) to find their polling place or learn more about early voting.
