ABOUT GINO JAMES DIMARIO

Gino James DiMario began his Suzuki piano studies at CCM Prep at the age of four. Gino loved the piano and participated in many recitals, competitions and community events. Gino passed away on February 19, 2005, shortly after performing at CCM Prep. In his short life, he touched many. He was an enthusiastic student who loved music and invested enormous effort and continual growth throughout his studies. Thanks to his parents Michael and Sharron DiMario, an endowed scholarship fund is named for Gino and available funds assist deserving students each year. Approximately \$20,000 has been awarded to Preparatory students since the fund was established.
