

Travel with OLLI!

Organized for OLLI by Road Scholar, the world's largest and most innovative creator of experiential learning opportunities—guiding generations of lifelong learners on transformative learning adventures.

Spies, Lies & Intelligence: The World of International Espionage

August 27–31, 2025

Discover a world of espionage and learn about spy history and 21st-century intelligence threats as you explore the nation's capital with intelligence experts.

Program Highlights:

- Uncover Washington DC's seamy underworld, from lesser-known history to famous spy cases—both cracked and unsolved—with retired intelligence experts and an NSA officer.
- Explore the NSA's Cryptologic Museum and the Spy Museum to learn about the secret world of code-making and code-breaking.
- Hear from a cybersecurity specialist and examine the role of intelligence in 21st-century threats, from the Cuban Missile Crisis to the September 11 attacks.
- Find out how spies are recruited and the many women who fly below the radar as master spies.

Program Pricing:

(Does not include travel to and from Washington DC)

- Double Occupancy: \$1,649
- Single Occupancy: \$2,199
